TRIP DESCRIPTION

This is a wonderful hiking odyssey to the *Fabulous Five* National Parks of Utah plus an exciting stop in Upper Antelope Canyon in northern Arizona! I am finalizing the itinerary but there will be 10 classic hikes for all abilities. Presently our airline is American and we leave ORD at 10:20AM and land in LAS at 12:12PM. On the return we leave PHX at 6:35PM and land at ORD at 12:33AM. NOTE: Southwest Airlines will not take mid September reservations for another couple of months.

Our trip currently includes 3 nights in Springdale, UT (one hike in St. George en route), 1 night near Bryce Canyon Park, 3 nights in Moab, UT and one night in Page, AZ. This is peak season in Utah and the lodging costs are up but will be so worth it. I am hoping that I can offer a rebate or credit after all the trip costs are paid. You know giving you the best price is important to me. A final itinerary will be released soon.

TRIP COST: *\$1,684 DO *\$2,448 SO [Pay in full or 9 payments (*\$176DO/\$261SO) on 11 each month of JAN thru SEP]

NOTE ON PAYMENTS: (*After \$100 deposit). Please communicate. This payment plan only works if everyone keeps to this schedule as periodic payments are required for airline, bus and lodging commitments. If you must deviate from this schedule please talk with Coach Gunn. If you must drop from the trip please tell Coach Gunn and put in writing (email the request or use the Trip Drop form online). If you miss two payments and we have not heard from you we will fill your spot(s) and move you to the wait list.
