ROADRUNNER TRAILS NAILED BY CAIRN STONE HIKERS!

RR TRAILS: We had a strong turnout display great hustle on this hot and buggy day. Special thanks to Dave Dits and Libbi Urban for their great job setting up the course!

TEST HIKE: Our premier training hike will take place August 22 at the *Mt. Manistee River Loop*. Please read the included information sheet carefully for complete details. This is one of my favorite Cairn Stone hikes and serves not only as a mandatory *Test Hike* for the *Enchantments Traverse* candidates but as a great destination hike. Destination hikers will enjoy hikes on portions of this course ranging from 5.9 to 21.0 miles.

EXTRA CREDIT: I also want to thank Cairn Stone veterans, Jay and Kathy Crouch, Thom Janssen, Larry and Terri Lies, Jeannie Valencourt and Kathy Flynn for special help to me in dealing with my broken ribs.
