The Book of James

The book of James speaks to the realities of a living faith in Jesus—the kind of roll up your sleeves and get your hands dirty discipleship that is borne out of an authentic relationship with the risen Lord.

We weren't created to do life alone. Throughout God's word and His creation, we see His love for community. At Oasis we desire for you to experience God through life-giving relationships.

Our small groups consist of three or more people who gather in a home, workplace, library— anywhere a group can gather. Small groups engage in encouraging activities that help us connect, grow, serve, pray and give together.

Small Groups come in all shapes and sizes — singles, married couples, students, men, women — the list goes on. No matter where you are in life, there is a group for you. We believe that we exist for the Glory and Honor of God and for those who are not yet a part of HIS family. We encourage you to sign up and start living life intentionally!
