

## Why Join a small Group?

The purpose of a small group is to grow your faith and connect with others. These groups will support you in understanding God's word and learning with others how to live out God's will.

Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.  
Hebrews 10:24-25

What does it mean to be blessed? And, more importantly, how do we become someone who is blessed? The kind of life God is calling us to may not look the way we imagined, but it will be better than we could have hoped.

**Instead, we will speak the truth in love, growing in every way more and more like Christ, who is the head of his body, the church. He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.**  
**Ephesians 4:15-16**

Following Jesus reminds us of our real identity. Social media is a great place to keep up with family, friends, and your favorite influencers online, but if we're not careful, we can get caught trying to become who we're following on social media, rather than following Jesus and becoming more like him. We can start trusting voices of people we've never met over the One voice who knows and loves us most. **Starting on 9/11**

## Friday

**Study: When You Pray**

We'll be exploring the book "When You Pray." Please order your copy from Amazon before our first meeting. Do you have trouble thinking of words to say to God when you pray? Are you afraid some emotions are too intense to express to God? Do you reach the end of a day only to realize you haven't prayed at all? You're not alone. Prayer is the way we relate to God, but sometimes it's a struggle. Throughout God's Word, we encounter many voices who teach us how to pray. This is a 7-session study with videos and daily homework, led by six beloved Bible teachers who will help you study prayers in the Bible that can inspire your own. You'll learn that God welcomes your praise and lament, your thanksgiving and intercession. You'll see examples of how to pray when you're alone and when you're gathered with others. Above all, you'll notice there's no one right way to pray. As you draw near to God through prayer, you'll find your faith strengthened and your heart united to Christ.

**Starting on 9/5**
