

Why Join a small Group?

The purpose of a small group is to grow your faith and connect with others. These groups will support you in understanding God's word and learning with others how to live out God's will.

Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near. Hebrews 10:24-25

Psalm 23 by Matt Chandler

Many people are familiar with Psalm 23. But because we all know it, we often breeze through the psalm without slowing down long enough to rest in the assurance it offers. In this 6-part series on Psalm 23, pastor Matt Chandler introduces us to the great shepherd, the Lord, who promises to provide for every need of his flock. Though only six verses long, this psalm teaches us profound truths about our loving and protective God. By studying Psalm 23, we'll encounter a life-transforming question: Do you trust the Lord to care for your needs?

Study: Worth It

Have you ever felt like you are just not enough? Not good enough, not smart enough, not pretty enough, etc? We have ALL felt like this. We ALL look for ways to feel like we are "enough." Some of us seek it in popularity, others in appearance or performance, while others might seek attention in unhealthy ways. However, none of these things will truly answer the question: "Am I enough?" The moment we realize that our worth is found in Christ alone is the moment we will stop asking and wondering if we are enough.

Twisting The Truth by Andy Stanley

Unraveling the Lies That Twist Our Lives in six insight-packed sessions, Andy Stanley exposes four destructive and all-too-prevalent lies about authority, pain, sex, and sin. They're deceptions powerful enough to ruin our relationships, our lives, even our eternities- but only if we let them. Twisting The Truth untwists the lies that can drag us down. With his gift for straight, to-the-heart communication, Andy Stanley helps us exchange falsehoods for truths that can turn our lives completely around.

Your Story Has a Villain by Jonathan Pohluda

There is an Enemy among us. You may know who he is, but you may not know what he is about. Do you know how he wages war? Do you know how he targets you specifically? He's the villain who wants to change your story in the hopes you live isolated, powerless, discouraged, and defeated. Are you ready to change your narrative and live a different story today? If you're weary from the struggle and ready to experience life as God intended, this five-session series with Jonathan Pohluda will help you explore the tactics of Satan, equip you to overcome spiritual battles, and remind you of the victory already secured through Jesus.
