**Kenny Stinson & Perfect Tym'n, Featuring Daniel Norton, Release New Bluegrass Single "Another Train" on the Sound Biscuit Record Label**

[SEVIERVILLE, TN.] — Sound Biscuit announces the release of "**Another Train**," by the bluegrass ensemble Kenny Stinson & Perfect Tym'n, featuring Daniel Norton.

Kenny Stinson & Perfect Tym'n, known for their high-energy performances, have carved a unique niche in the Bluegrass genre. Drawing inspiration from Kenny Stinson's diverse musical background, including stints with legendary acts like Jimmy Martin's Sunny Mountain Boys, Gary Waldrep and David Davis. The band brings a blend of tradition and innovation to their music and live shows.

Songwriter Daniel Norton seamlessly blends traditional roots with a fresh, energetic sound. Norton shares, *"Bluegrass has a history of pain and troublesome times being referred to as rain, and trains have always been the getaway for the ramblers heart. The restless Rambler never settles down. He throws all his money down and travels when the opportunity to escape comes along, but this Rambler had remorse over his last love, even shed a tear, but he figures she's already moved on. He'd rather be traveling than dealing with the troubles and worries of trying to keep a woman anyhow."*

Daniel started playing banjo at five years old and grew up playing with his family's gospel group. Later he formed a band called 'Icy Holler,' played with 'True Grass,' and then had the honor of playing with Kenny Stinson. After a brief hiatus, Daniel returned to the scene with Hammertowne, toured with 'Nick Dumas & Branchline,' and even graced the Grand Ole Opry stage with Rhonda Vincent and the Rage.

*"There just can't ever be too many trains in Bluegrass music and "Another Train" is a perfect traditional addition. Daniel has a unique perspective in his writing and a true bluegrass distinction in his singing. Combined with the high energy musicianship of Kenny Stinson & Perfect Tym'n, you get a toe tappin' tune that's hard to get out of your head."* Dave Maggard, Sound Biscuit CEO and Producer

The recording features **Daniel Norton** on lead vocals, guitar, and resophonic guitar. **Kenny Stinson** on baritone vocals and mandolin, **Ronda Stinson** on harmony vocals, **Kyle Dodson** on banjo, and **Gavin Stinson** on bass. "Another Train" was produced by **Dave Maggard**, with engineering and art design by **Shane Reman**. Recording, mixing and mastering by **Sound Biscuit Productions**.
