

Dear Parent / Guardian,

We treasure the upcoming opportunity at the SOURCE + SUMMIT Retreat to provide a weekend that we pray will be truly a spiritual blessing for your child as we journey together on our Pilgrimage of Hope during this Jubilee Year of Hope! Please read through this email as it contains important information for the weekend. The best way you can continue your good influence in your child's life is to sincerely pray for them to receive everything that God is wanting to give them over this weekend. Coupled with sacrifice and your continued love and support your child will have the best preparation possible for the upcoming weekend.
