

Dear Parent / Guardian,

We treasure the upcoming opportunity at this 25th Anniversary SOURCE + SUMMIT Retreat to provide a weekend that we pray will be truly a spiritual blessing for your child. Please read through this email as it contains important information for the weekend. The best way you can continue your good influence in your child's life is to sincerely pray for them to receive everything that God is wanting to give them over this weekend. Coupled with sacrifice and your continued love and support your child will have the best preparation possible for the upcoming weekend.

"I am the Way, the Truth, and the Life" As our theme this year, Source + Summit will not only proclaim this truth but guide our young church to experience it!

If they are lost, they will be shown the WAY – Jesus!

If they are seeking truth they will find the TRUTH – Jesus!

If they are searching for meaning in their lives they will find their LIFE – Jesus!

Please encourage your child to leave their cell phone at home. They will be able to contact you through their group chaperone or you them. If this is not an option, then please encourage them to keep their cell phones turned off except when during lunch & dinner breaks. We want them to be able to be totally engaged in all the many facets of the weekend.

WHAT TO WEAR:

Please dress modestly but comfortably. Mass will be celebrated daily, and the youth will be sitting on the floor during parts of the weekend. Tight, low cut or short shirts, low-cut jeans or short shorts are not appropriate.

Anyone under the age of 18 may not leave Mater Dei without a written note from you. You will need to check your child out of the retreat at the information table outside the doors in the event they would need to leave.
