

# *Let's Make a Bright Lab*

## Coloring Book

*by Palina Kot*

Nagasaki  
2022

*Dear Friends!*

*This is a coloring book  
with laboratory related  
pictures*

*to look at the research  
from*

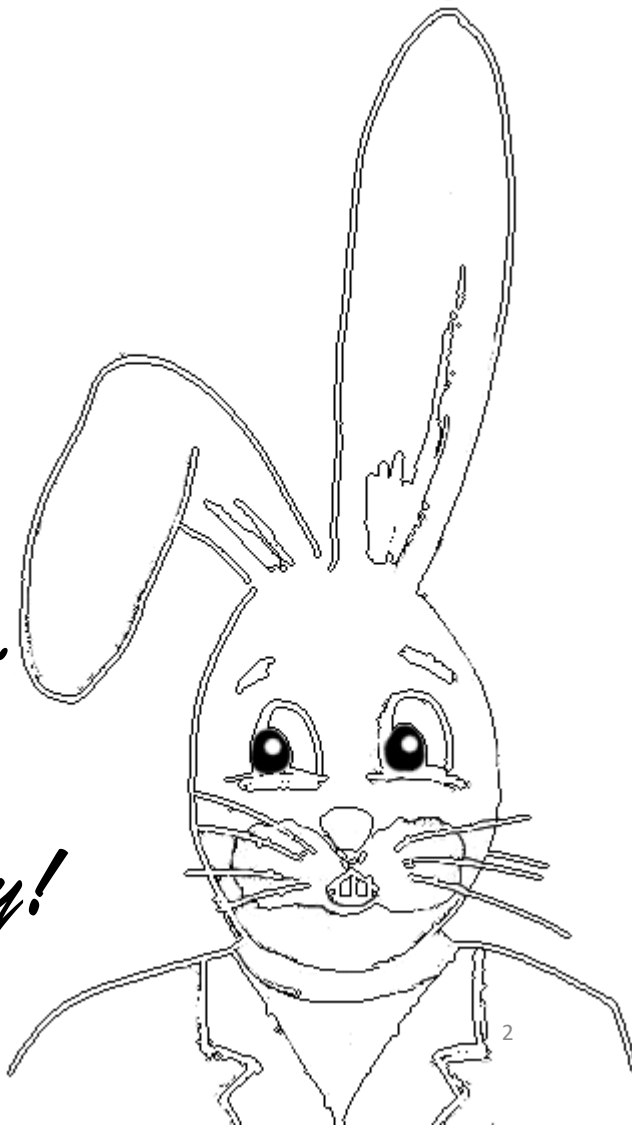

*a different angle.*

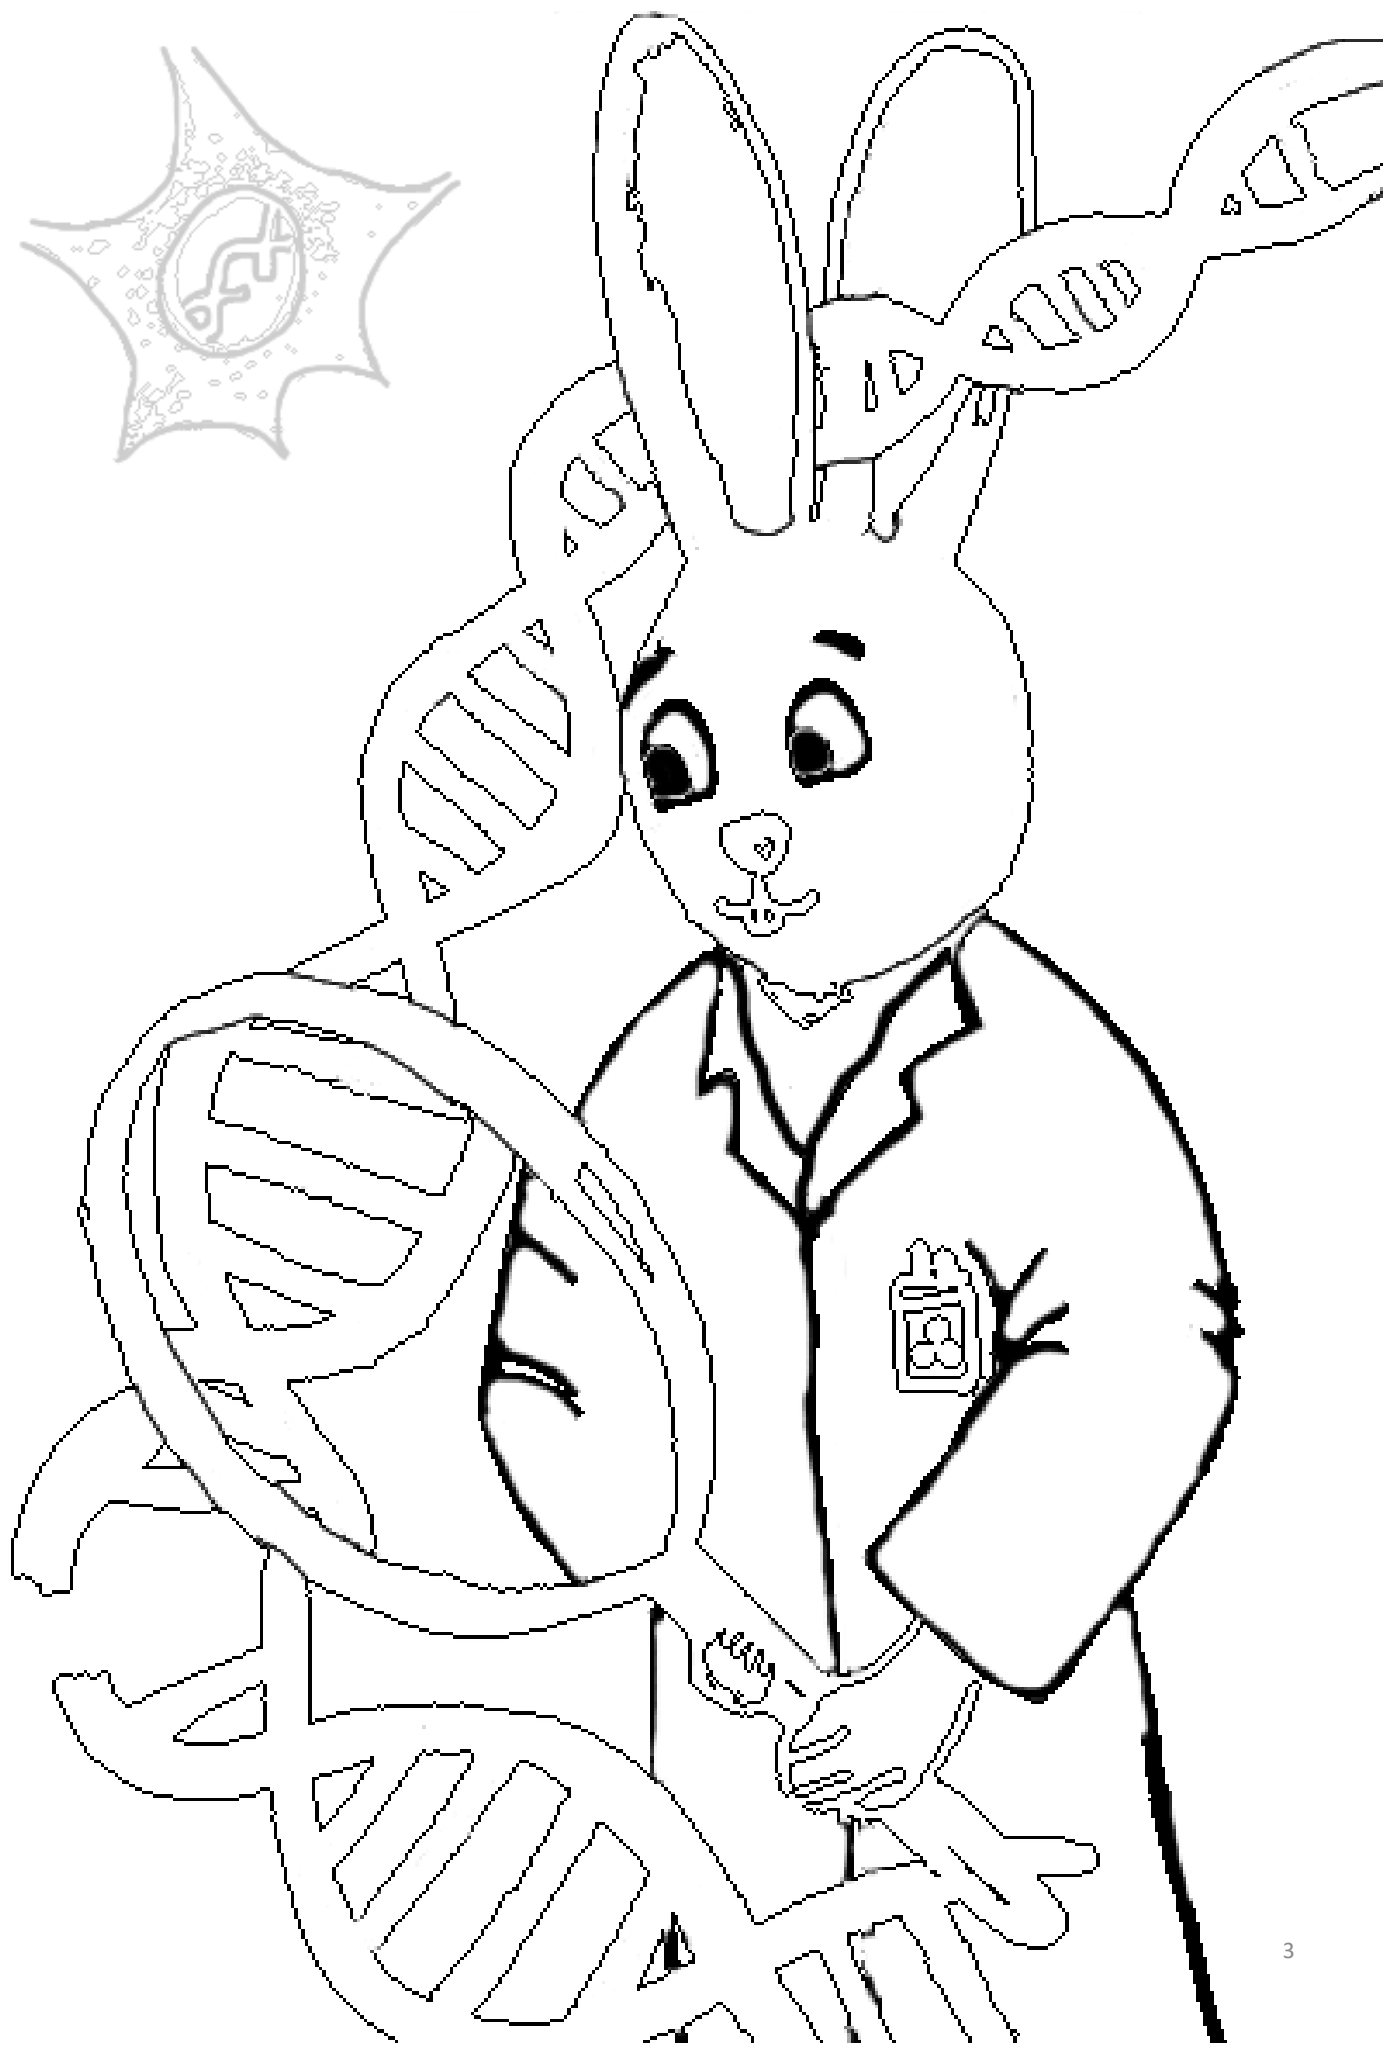

*You are also welcome  
to complete drawings  
according*

*to your own experience.*

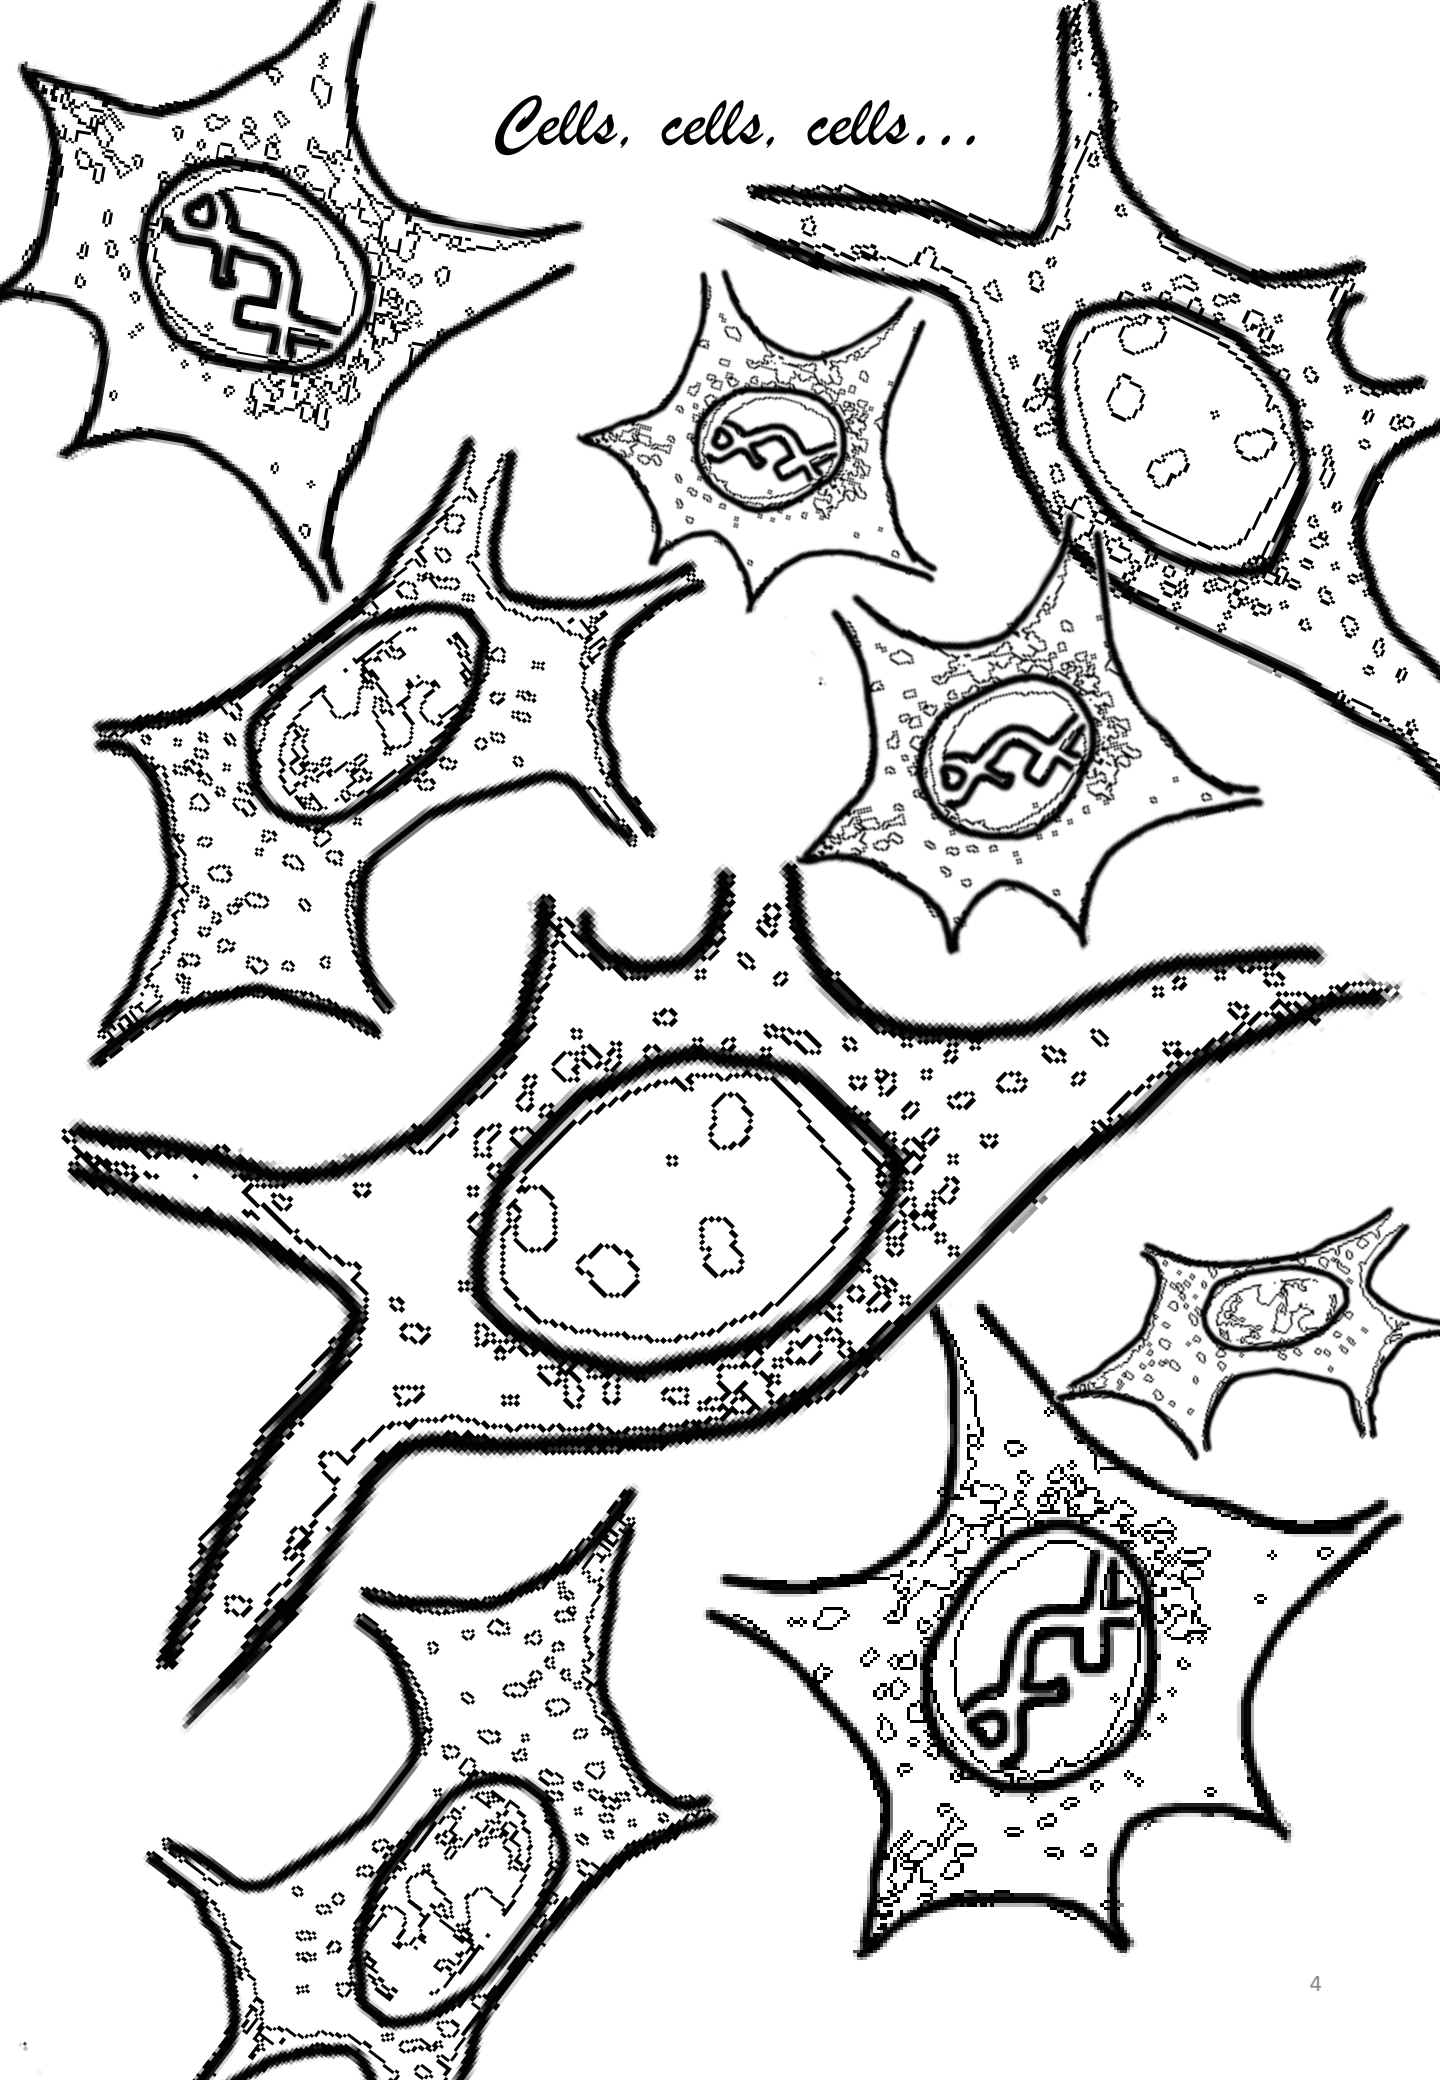

*Please enjoy*

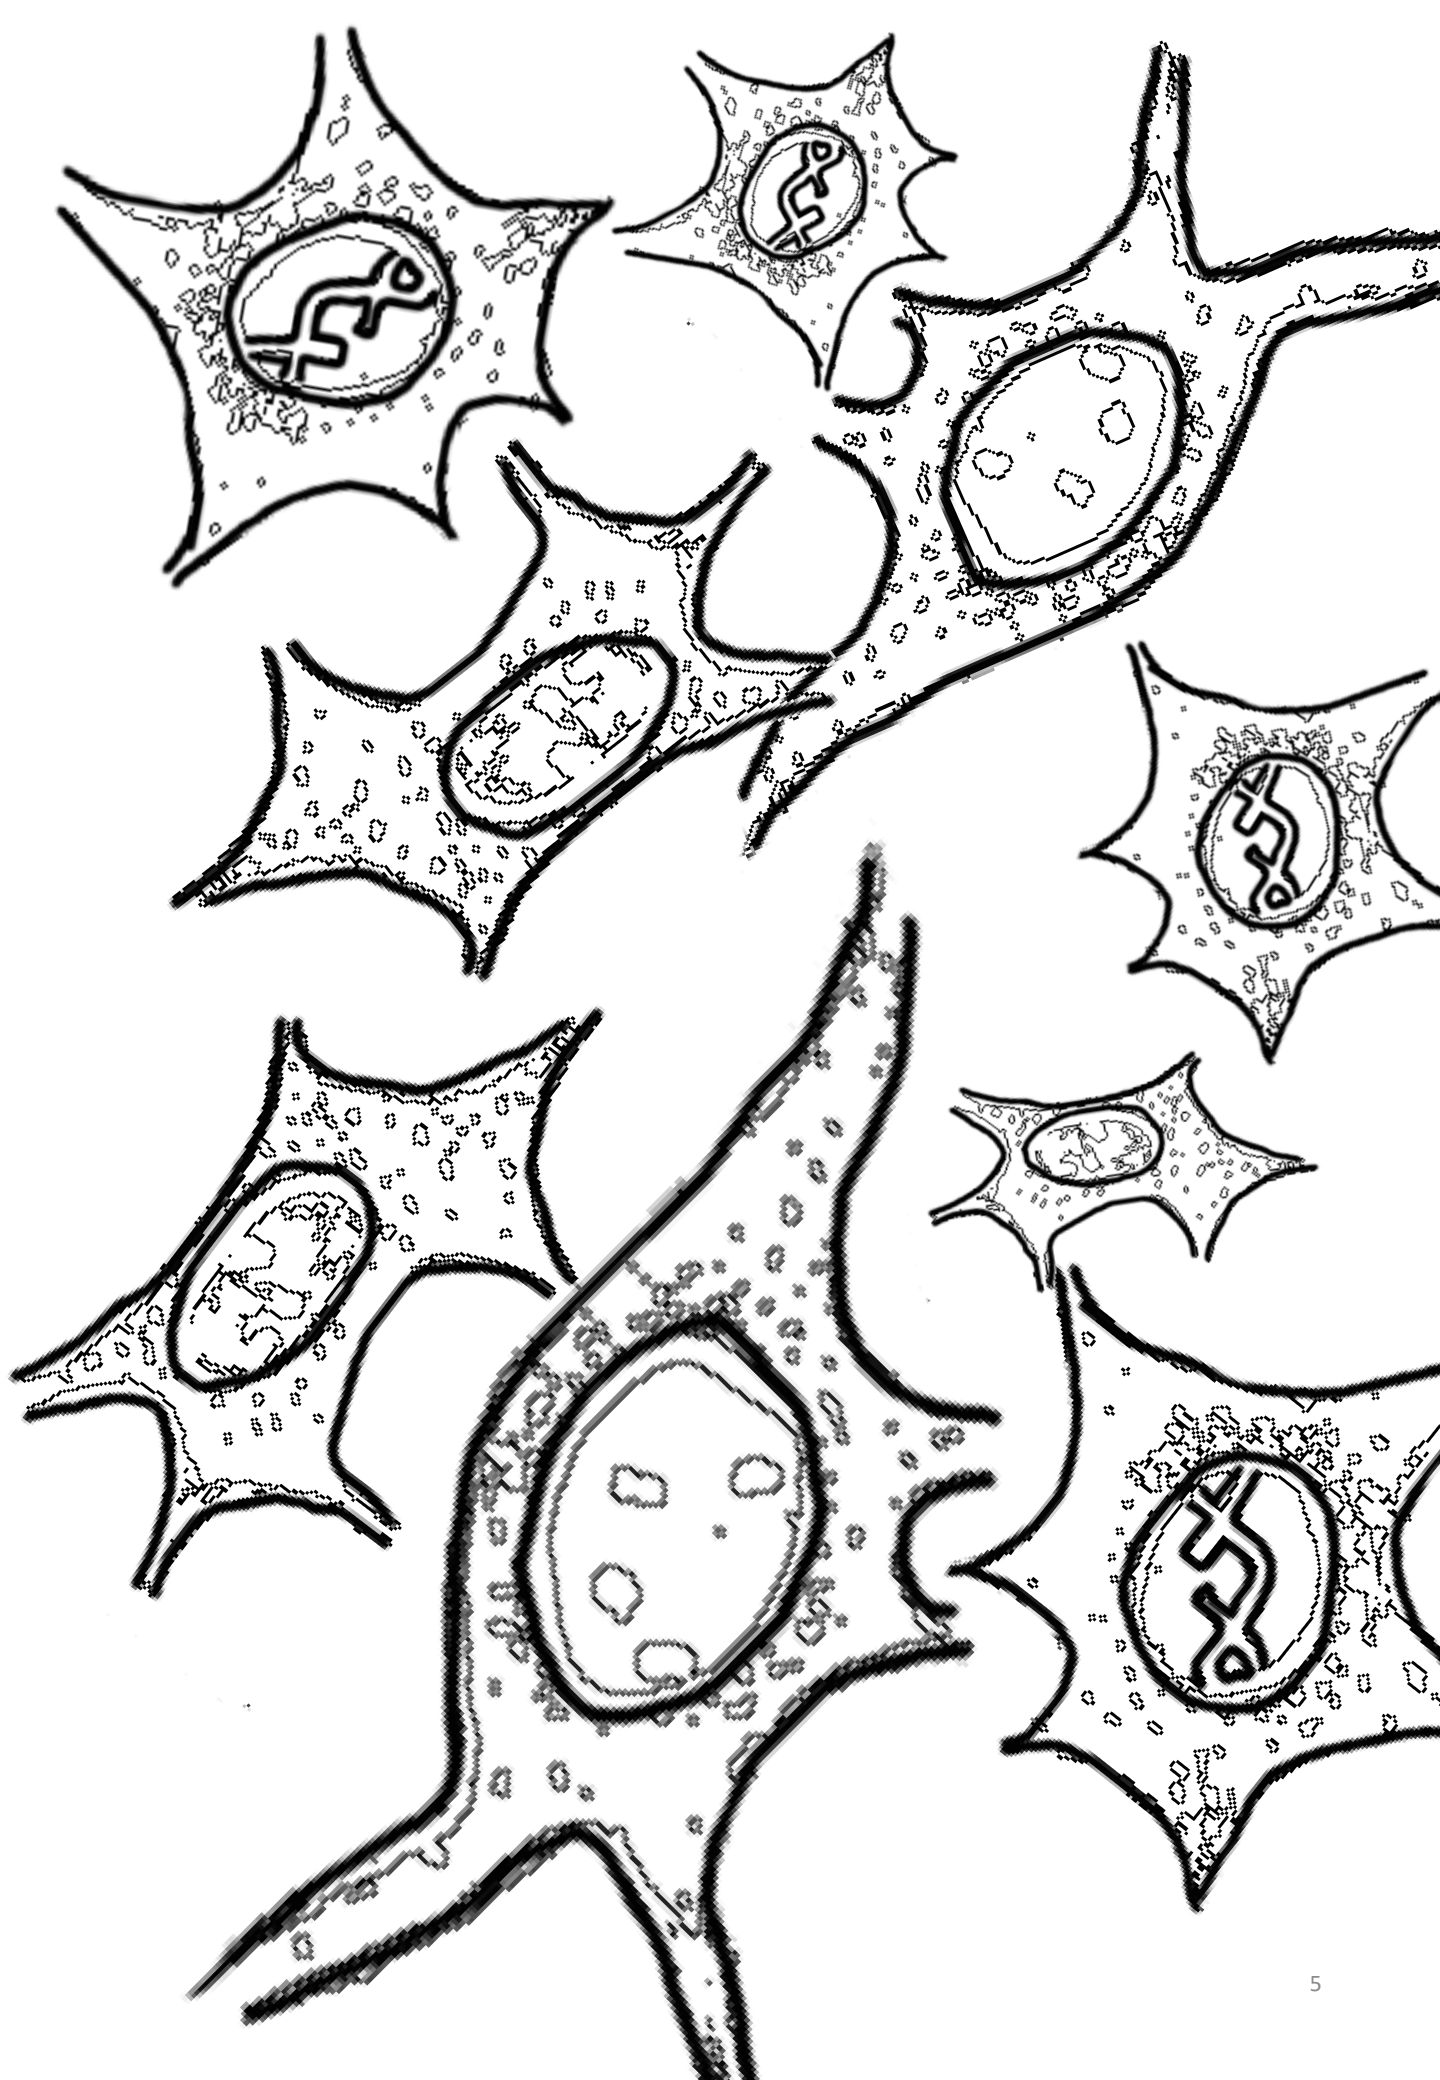

*the process of creativity!*

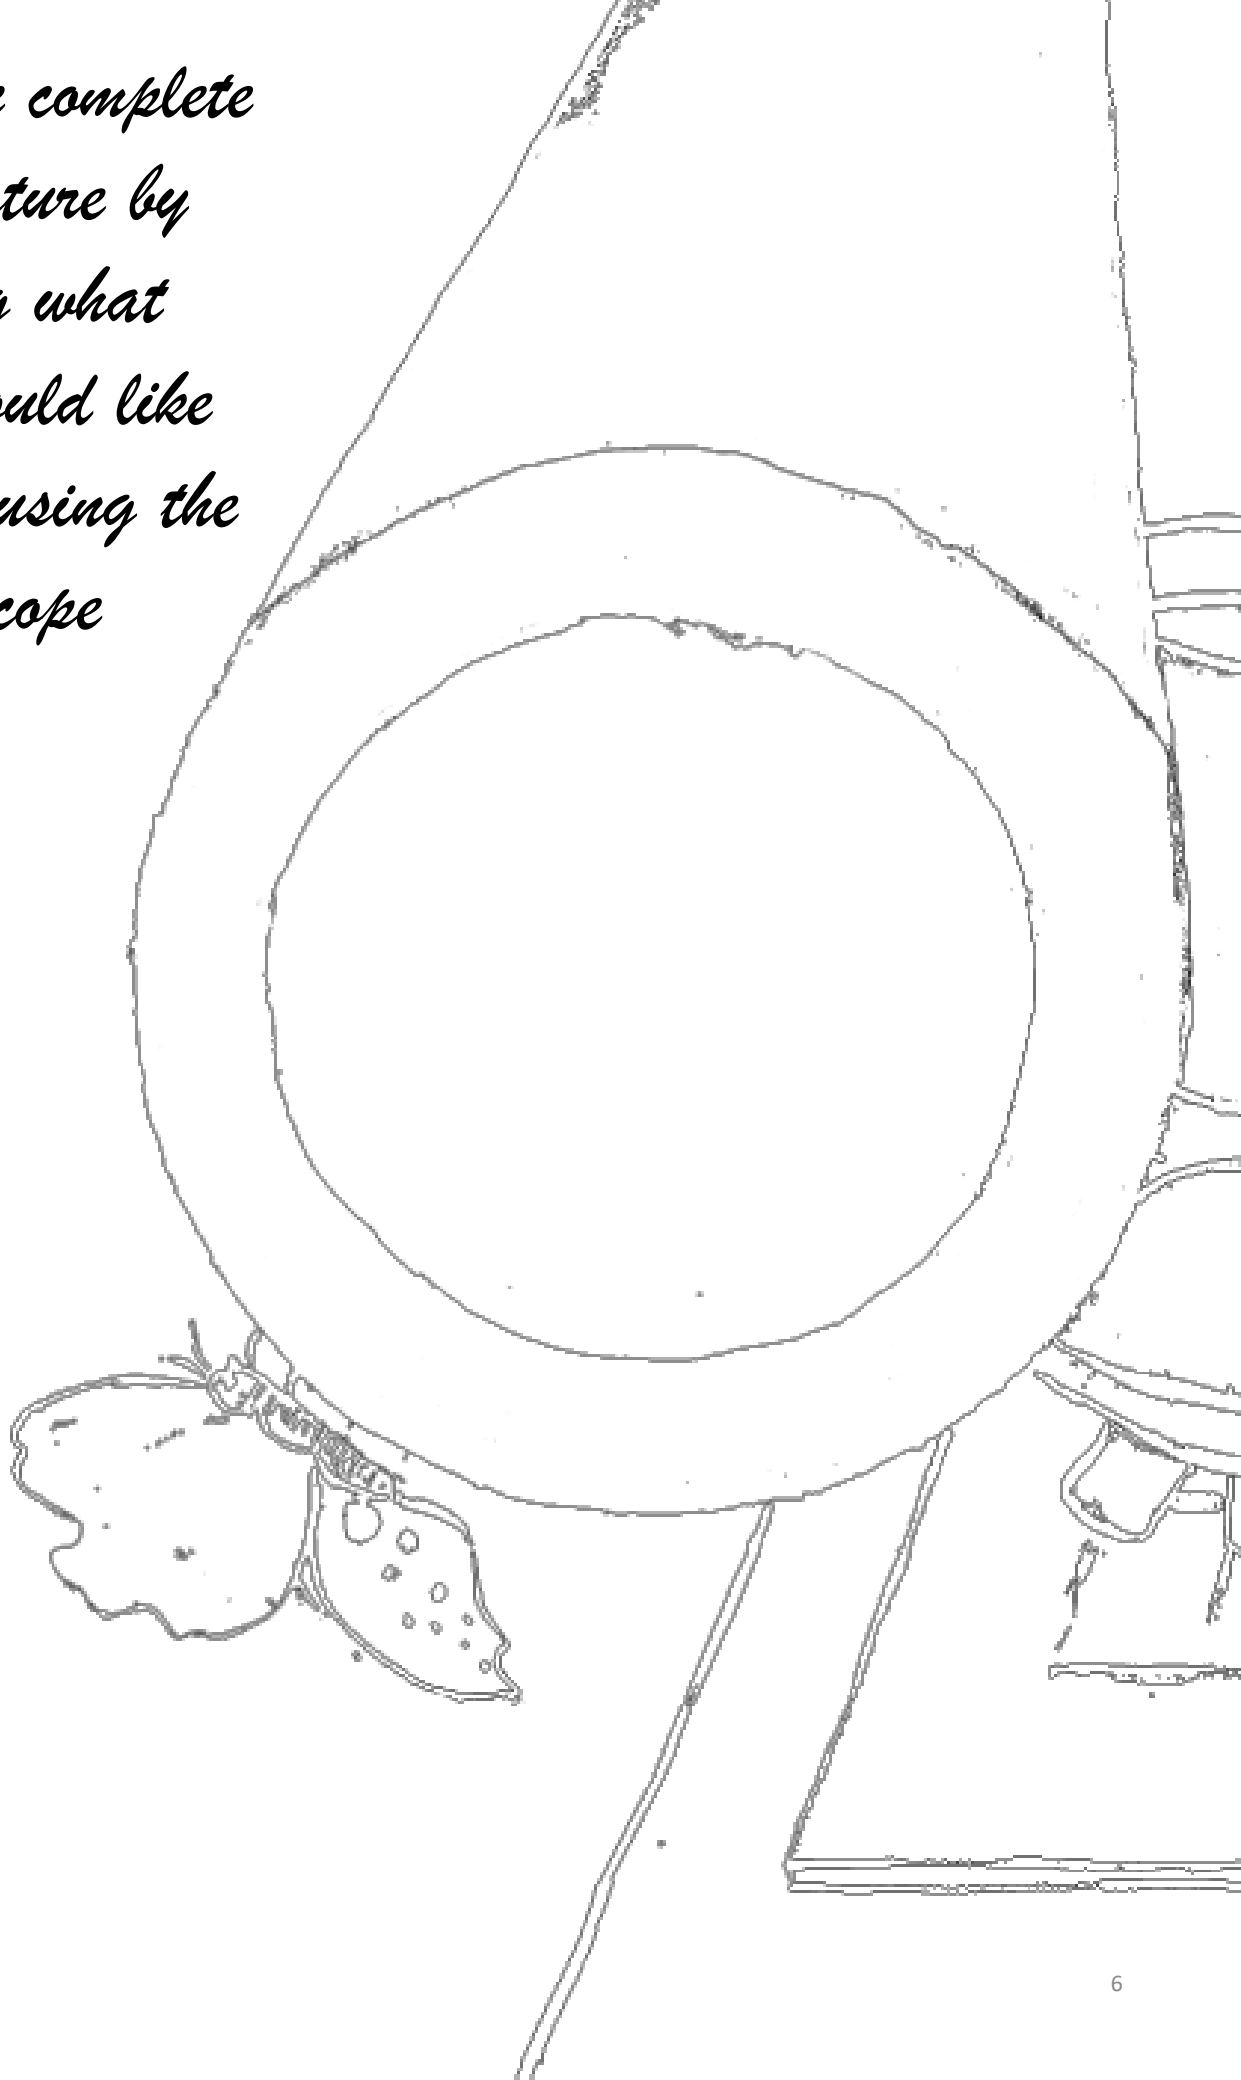

*Cells, cells, cells...*

*Please complete  
the picture by  
adding what  
you would like  
to see using the  
microscope*

*Let's wash  
lab dishes together!*

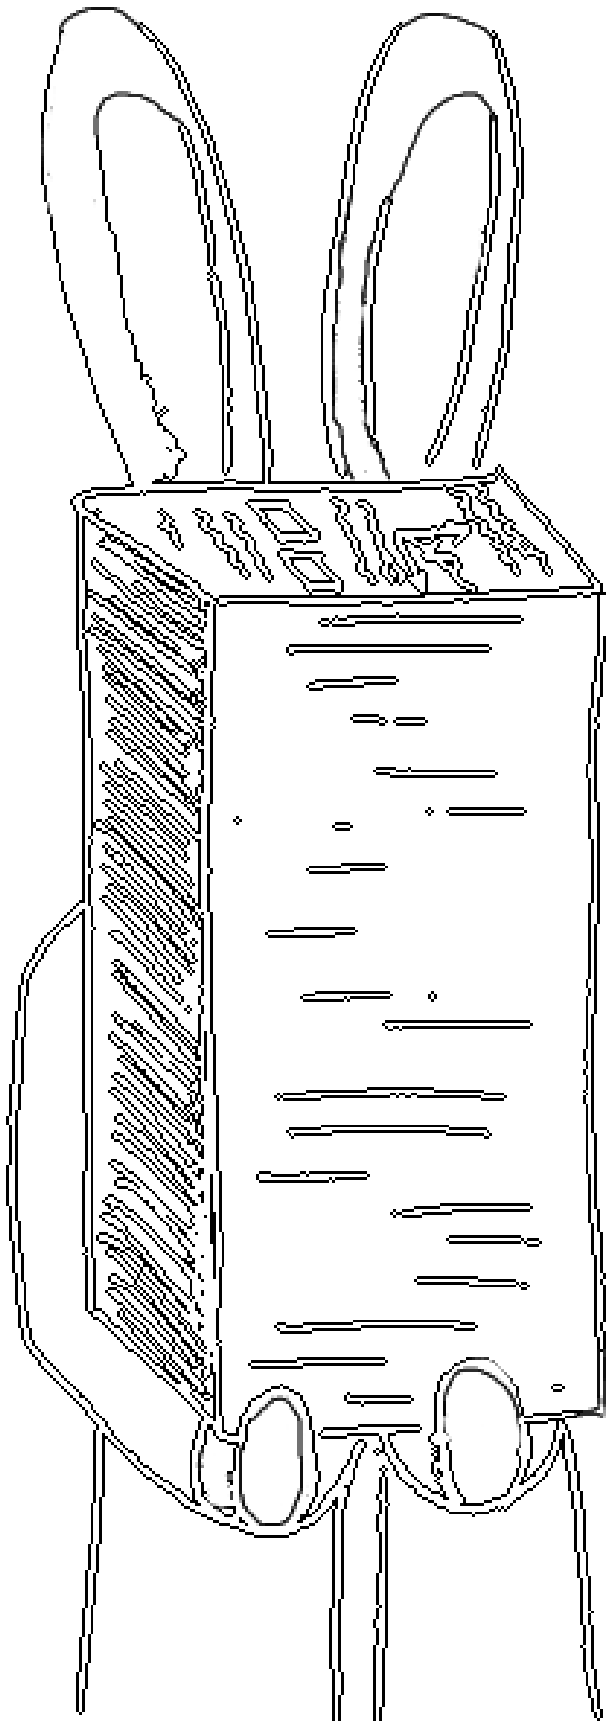

*While receiving some unexpected results...*

*Add your thought/feelings in such situation*

*What is your reading list?*
