

Your Right to Receive a Good Faith Estimate of Expected Charges Under the No Surprises Act

Varney Chiropractic will provide a “Good Faith Estimate” (“GFE”) of how much our services will likely cost you upon request. If you are paying us directly for your services and you schedule at least 3 days in advance, we will provide a written GFE within 1 day of scheduling

We will inform you in advance with a new GFE if we plan to increase our fees or we anticipate your costs exceeding your original GFE. If we don’t and we bill you more than \$400 in excess of your GFE without informing you in advance, you will have a right to dispute our bill through a federal dispute resolution process. You will need to provide a copy of your GFE to open a dispute, so we recommend that you save and/or print your GFE for future reference.

To request a GFE, please contact us at backtohealth@varneychiropractic.com or 207-225-5949.

Our Fee Schedule:

Fees are based on a combination of time spent by the doctor, number of regions treated, complexity of your case, and whether any modalities were used (massage, laser, etc.).

New Patient Visit: \$100 - \$135

Re-Examination Visit: \$85 - \$120

Treatment Visits: \$40 - \$60*

This could be up to \$80 if you are seeing multiple providers at a single visit
