

# Locked and Stocked

**Locked and Stocked**'s mission is to create leaders within underprivileged communities by keeping our students **locked** in on achieving their goals and **stocked** with resources to **succeed**.

## **FREE** Enrichment

## Program Offerings - 2024

---

- **Personalized Tutoring and Mentoring**

- **Group Based Tutoring and Mentoring (grades 6-12)**
  - Academic-gearred seminars discussing healthy studying habits, SAT Tips, subject-based tips/information → Learn how to code from a

computer science major → Learn how to refine your artistic talents from a fine arts major and photography major, and more...

- **One-on-one Tutoring and Mentoring (grades 6-12)**

- Personalized assistance on school work assignments, instilling healthy studying habits in students → providing study tools and resources to students to ensure their success.

## • **Development Workshops**

- **Professional Skills Workshops → (6-12)**

- Formatting professional emails, resume creation + LinkedIn, personalized advice to excel in internships/interviews, how to network effectively/get your name out there. We will connect students with mentors who are successful in their fields, and who want to help our students succeed.

- **Personal Interest Exploration → (6-12)**

- Exposing students to different majors/occupations, personalized assistance in gearing students' interests toward specific majors/professions → helping students find something they love. We will connect students with other older mentors who are majoring in the same thing they want to do.

- **Personal Growth & Well Being Support → (6-12)**

- Mental health awareness workshops, healthy studying habits, one-on-one mentorship advice and support, health and wellness geared seminars discussing how to keep a healthy work-life balance, surrounding yourself with those who will support your goals, knowing when to seek out help when needed, and more...

## • **College Prep and Support**

- **College Prep Workshops → (grades 8-12)**

- College awareness → Exposing students to different colleges, aiding students in building their passion projects + college resume building, **FREE SAT PREP**, scholarship awareness, summer and all year round program awareness → Hear personal guidance from current successful students of color at Colby College, Saint Lawrence University, Columbia University, Cornell University, and more...

- **Boarding School Awareness → (grades 6-9)**
  - Boarding school information sessions → Why boarding school? Hear real-life experiences from current boarding school students → answering main topics on how to get into boarding school, and how to afford boarding school → Hear personal guidance and experience from successful low-income students and students of color at The Hotchkiss School, Phillips Academy Andover, The Masters School, and more!
