

2026 PERIMETER GUARD PEST CONTROL PROGRAMS

**** Pricing is Based on "Preventative" Treatments and Pre-Paying for Your 2025 6-Step Program ** **
Signing up AFTER April 15th 2026 or anything less than 6 Steps adds \$10 To Each Treatment ** This is a
"Preventative" Treatment Program and is designed to prevent Active Insect Infestations. If you have
Active Insect Infestation(s) You will require "Curative" Treatments not "Preventative"**

Option 1: Home Perimeter Guard Basic \$49

This is our very basic program that is applied to the home exterior along the entire baseline.
This option is a great option for those without pest control issues and want to keep it that way.

Option 2: Home Perimeter Guard Plus \$59

This is our most popular program that includes everything listed in Option 1, but also adds your home's
door frames, and any windows that are within 8 feet from ground level. This option is a great option
for those without active infestation issues, or with minor pest issues in the past that want to get ahead of them.

Option 3: **BEST VALUE Platinum Guard + Mosquito \$79**

This is BEST treatment option which also includes "Whole Home Exterior Fogging".

This Program includes everything listed in both Options 1 & 2 above, with the added protection of an exterior
fogging to reach all those impossible to reach cracks and crevices that insects love to hide. This option also
includes treatment of trees/shrubs that are immediately adjacent to the home and within 4 feet of the structure.
This is a great option for those without current pest issues, that really want to keep it that way. You can also add
Trees/Shrubs or other areas of your property that are not within 4 feet of the home for \$1-\$5 each with this plan.
