"General Assembly and Presbytery meeting"

Rev. James Lee

I recently attended our denomination's General Assembly and Presbytery meeting. The Central Presbytery of the Kosin Presbyterian Church in America (KPCA), to which our church belongs, covers a vast geographic area. It includes the states of Arizona, Utah, Colorado, Kansas, Texas, and Missouri. Because of this, everyone must travel by plane to gather, making frequent meetings quite difficult. For this reason, we do not hold a separate meeting for the fall presbytery; instead, we arrive one day early to meet whenever the General Assembly convenes. This particular gathering marked our 39th Presbytery meeting. Since the presbytery meets twice a year, the upcoming 40th meeting will mark our 20th anniversary. With this milestone ahead, the members agreed to gather for a special 20th-anniversary commemorative meeting to comfort and encourage the pastors and their wives who have labored so faithfully for the ministry. Please pray continuously for the pastors and their wives who serve at each of our churches. Additionally, we shared a time of prayer for Pastor Chan Choi, one of our presbytery members who had been preparing for missionary deployment but is currently battling a brain hemorrhage. The presbytery decided to provide financial assistance for his children's tuition along with a monetary gift of consolation.

At the General Assembly, various ministries receive official approval. During this assembly, two major ministries were successfully approved:

- KPMUSA Launch: The Foreign Mission Board will officially launch as a newly independent organization called KPMUSA. This body will hold an independent status supported by the denomination's churches to oversee, deploy missionaries to, and manage various mission fields, particularly in Latin America and Native American regions. Please lift up our overseas missions in your prayers.

- Church Planting Network: Approval was granted to launch a church planting network that the Domestic Mission Committee has been preparing for several years. In an era where Korean immigrant churches are aging and shrinking due to declining immigration and fewer students coming from Korea, we started this initiative with a sense of urgency. We firmly believe that the only way to rise again is to plant churches and devote ourselves further to spreading the Gospel. The focus is to move away from churches being founded solely by a single visionary pastor, and instead, unite denominational churches to plant new ministries strategically. With the General Assembly's approval secured, the next steps will involve building the network, identifying church planters, and raising funds for church planting. Please pray that God's church may be beautifully established.
