

“Jesus is risen!”

Rev. James Lee

Jesus is risen. Jesus, who is God, came down to this earth clothed in human flesh. Many people remember and celebrate this day as they observe Christmas. It is truly good news for all people. And yet, there is another great event. Jesus died on the cross in our place for all our sins, and on the third day He rose again. This is joyful news that we celebrate with gladness. Now we can live with hope, longing for the day our Lord will return, walking in holiness and purity.

Unlike Christmas, it often feels as though we lack joy when Easter comes. After walking through Holy Week—reflecting on the suffering Jesus endured, fasting, praying, and spending the week quietly—our expression of joy on Easter may feel somewhat subdued. In fact, Easter seems to be a season where deep emotion and heartfelt gratitude fit even more than outward celebration.

What makes the resurrection of Jesus so amazing is that death is something all of us fear and grieve. Death often comes suddenly and unexpectedly. Yet Jesus conquered death and triumphed over it. And we, too, will one day join the feast of Christ with resurrected bodies. For those who believe this and live by it, death is no longer something to fear. Death came to us because of sin, but since our Lord has resolved the problem of sin, death is no longer a threat to us.

How wonderful it is to live in freedom. We have been set free from the chains of sin that once bound us, and now we can praise freely, share the gospel freely, pray freely, and live joyfully in the freedom given to us. This is possible because Jesus conquered death and rose again. Jesus has given us this freedom.

With this resurrection faith, may we live freely and joyfully in the world God has given us. May you share the joy of the resurrection with many people, proclaim the love of Christ, and live as blessed believers who welcome a happy Easter filled with thanksgiving and praise.
