

Mentor Minister Reference

Dear Pastor/Minister:

_____ has applied to become a mentor with Christian Women's Job Corp®/Christian Men's Job Corp® of Cleburne. CWJC/CMJC is a Christian organization designed to help men and women help themselves get out of poverty and become self-sufficient. We accomplish this by providing a personal mentor who walks with a participant from dependency to self-sufficiency and serves as a coach, encourager, role model, and spiritual partner.

Our mentors must be persons who have a vital personal relationship with Jesus Christ. They must be persons of personal integrity, able to practice confidentiality. They must practice a personal lifestyle that models the values, principles, and practices that lead to positive personal and community health and success. They must also be able to communicate the love of God in a one-on-one relationship that is built on honesty, trust, compassion, and tough love.

We have an extensive mentor application process, but one of our requirements is that the pastor of each applicant gives a personal recommendation for this ministry. Taking into consideration the qualities and characteristics that we must have in our mentors, can you personally recommend _____ as a mentor in CWJC®/CMJC®? We have permission from the mentor to ask you and the that your response will be shared with her.

- Yes, I can personally recommend _____ as a mentor in CWJC/CMJC.
- No, I cannot personally recommend _____ as a mentor in CWJC/CMJC.

Please give us a brief explanation, if necessary, on the back of this page. Please return this letter to us in the enclosed envelope.

Thank your for your assistance in this matter.
