String of pearls

Note: make sure to leave a long tail for sewing to soil.

Pom pom stitch: (*yarn over, insert into 2nd chain from hook, pickup yarn* repeat x4, until you have 11 loops on the hook, yarn over and pull through all loops, slst into the next chain.

R1: CH 12, pom pom, (CH 6-8, pom pom) till you reach your desired length. Fasten off.

Repeat until you have about 10-20 strings to fill the soil.

Attach to soil with a yarn needle.

Hanger

Ch 40, fasten off leaving a tail for sewing. Make 3.

Do not fasten off the 3rd chain strand.

Put your hook under the chain strands and pull the working yarn under and up, Pull through the two loops on your hook. Make 10 Sc stitches around the Chain strands.

Fold the piece in half and Sc around all strands to create a loop. Fasten off. Sew in ends to secure the position on the loop.

With a yarn needle, sew the individual strands in a triangle formation to the pot.

Check your work as you go before securing it, to make sure it hangs evenly.

You can attach the hanger anywhere you like but I attached mine just under the lip of the pot. Sew in all ends and cut excess. enjoy!
