TRAVEL DESIGN FEE FAQ

WHY DO YOU CHARGE A TRAVEL DESIGN FEE?

In order to deliver our clients the best possible vacation, our TRAVEL business model does not rely solely on commissions from hotels, cruise lines, tour companies, and travel suppliers.

We will not be motivated to select a product (hotel, tour, experience) based on the commission fee. It is our desire to create the best travel experience for you, our client.

It takes a significant amount of time to curate each travel experience. Our design fee ensures that your vacation will be customized to your unique travel style.

Accommodations, dining and experiences will be researched thoroughly so you can MERGE into a vacation curated JUST for YOU!
