Topics & Speaker Lineup

DIVERSITY, EQUITY AND INCLUSION IN YOUR HOSPITALS

Presented by:
Saida Bonifeld
Manager, Diversity, Equity and Inclusion
Stormont Vail Health

Saida Bonifield (she/her), M.Ed. is a skilled diversity, equity, and inclusion (DEI) practitioner with 15 years of experience in non-profit and educational organizations. Saida works to intentionally expand and incorporate inclusion and equity-based strategies and initiatives into institutional frameworks. Currently, Saida is the Manager for Diversity, Equity, and Inclusion at Stormont Vail Health in Topeka, KS.

KANSAS HOSPITAL ASSOCIATION UPDATE

Presented by:
Audrey Dunkel
Vice President, Government Relations
Kansas Hospital Association

Audrey currently serves as the Vice President of Government Relations for the Kansas Hospital Association. She holds degrees in Political Science and Law from Fort Hays State University and the University of Kansas, respectively. As the leader of the KHA advocacy team, she oversees federal, state, and regulatory advocacy efforts, collaborates with state and federal regulatory agencies and with partner associations and represents KHA and its members in local, state, and national venues. Audrey serves as the KHA liaison to the Kansas Association of Patient and Account Managers and the Medical Group Managers Association of Kansas. She is also the Membership Chairman of the Hospital Finance Managers Association Sunflower Chapter.

MIND MATTERS: CALLING TEAMS TO GREATNESS

Presented by:
Angelina Salazar
CEO, Western Health Alliance

Angelina Salazar is the Chief Executive Officer of WHA and its affiliated companies. Working with the Board of Directors, key stakeholders, and the executive management team, she establishes long-range goals, strategies, plans, and policies for the overall benefit of rural healthcare in Colorado and eastern Utah. Her dedication to solving rural healthcare challenges and building strong relationships in the community have helped to build visibility, impact, and financial stability. Angelina possesses a Bachelor of Arts Degree in English with a minor in Spanish, two Master of Arts Degrees in Language Acquisition and Psychology as well as a certification in mediation and conflict resolution.

INTEGRATING BEHAVIORAL HEALTH IN RURAL HEALTH CLINICS

Presented by:
Brandon Skidmore
VP of Health Systems
Sunflower Foundation

Brandon Skidmore oversees Sunflower's health systems work, including public health, mental health, primary and acute care, and the foundation's 13-year investment in Integrated Care. Brandon has worked extensively to expand Sunflower's national partnerships in the health systems space over the past five years, including recent work with the Bipartisan Policy Center, Network for Excellence in Health Innovation, Well Being Trust Foundation, de Beaumont Foundation, Kresge Foundation, Pew Charitable Trusts, and the CDC Foundation. Brandon is a 13-year veteran of state government, having served in a variety of leadership positions within the Kansas Department of Health and Environment (KDHE) prior to joining the foundation in 2016.
