GATE 8

Please help keep our fairgrounds clean. Pick up any trash and dispose of it properly. We ask that everyone leave the fairgrounds better than they found them. All participants are required to stay and assist with cleanup once the fair has concluded.

Safety First: For the health of our exhibitors and animals, no food or drinks are permitted inside the barns.
Hygiene: Please wash your hands after leaving the animal areas.

 Welcome to the Whatcom County Youth Fair!

We are excited to have you here! To help you find your way around the grounds, please refer to the map below:

Find Your Way: Divisions are color-coded and printed on each of the colorful squares on this map.

Parking Protocol: Please DO NOT park in designated camping areas or "No Parking" zones.

Unloading: Animals must stay on the vehicle until they pass their health check. Once unloaded, please move your vehicle immediately to the general parking lot.
