Greetings Future Sponsor,

On behalf of the Whatcom County Youth Fair, we extend our heartfelt gratitude for considering a sponsorship to support our event and the youth of our community. As a 501(c)(3) nonprofit organization, we have proudly served Whatcom County for over 35 years, providing hands-on learning experiences that promote agricultural education, personal growth, and community values.

The Whatcom County Youth Fair is more than just an event—it's a cherished tradition that brings together over 600 young participants each year. Through hands-on projects, youth ages 6-18 engage in diverse activities such as livestock shows, creative arts, forestry education, small engines, and entrepreneurship. Our fair fosters learning, leadership, and a sense of accomplishment, helping to shape the next generation of community leaders.

To keep our fair accessible to all families, we rely on the generosity of local businesses and community members like you. We are proud to be a 100% volunteer-run organization, ensuring that all funds raised go directly toward event operations, educational programs, and youth awards. However, hosting a successful fair requires significant resources, from venue costs to equipment and youth scholarships.

Our goal for 2025 is to raise \$35,000 to ensure the continued success of this impactful event. Your support will help us provide an enriching and memorable experience for every youth participant. In appreciation of your generosity, we offer sponsorship recognition through event signage, inclusion in fair programs, and acknowledgment on our website and social media platforms.

We invite you to join us in making a lasting impact on our youth and community. Any contribution, big or small, makes a difference. Thank you for considering this opportunity to invest in the future of our young leaders.
