

## **Sharon Hubbard**

November 26, 1949 to March 28, 2023

Sharon passed away peacefully at Ft Sanders Hospital several days after suffering a ruptured aneurysm following a fall and head injury. She is survived by her Aunt Shirley, Cousin Cindy in Ohio, and dog, Chesney.

Sharon moved to Oak Ridge from Tampa after retiring from teaching kindergarten. It did not take her long to make friends, lots of friends. She

was a knitter, crocheter, and weaver. If it involved, fiber Sharon did it. She knitted prayer shawls for the Methodist Church.

Reading was also a passion for Sharon. She belonged to the Anna's Book Club in Oak Ridge and was a member of the Oak Ridge Universal Unitarian Church. She volunteered her time with the Anderson County Democratic Party as a committed canvasser and poll watcher. Being a volunteer was a big part of her life.

Sharon was an avid traveler and took yearly trips, often with Road Scholar. She also traveled within the states for fun – a recent trip was to the zoo in Washington DC to see some new babies.

She will surely be missed by all who crossed paths with Sharon.

Sharon's many friends will have a celebration of life on June 3, 2023, at 2:00 pm at The Oak Ridge Unitarian Universalist Church.

In lieu of flowers, please make donations to SARGE (Shelter Animals Rescue Group) in Sharon's honor.
