

August Activity Summary: AC Commission Swearing In Ceremony

9-1-2026 at the Anderson County Courthouse

August was a joyful month! We got to celebrate the hard work of our Democratic community with wins in 4 Anderson County Commission races. Ebony Capshaw, Sharon Bourgeois Capshaw, and Steve Verran were sworn in on September 1st. Liz Henry, a seat winner from District 8, declined her seat.

Ebony won her re-election with 33.03% of the votes. Her nearest competitor was Aaron Wells, a Republican, who received 24.49% of the votes. Ebony and her team worked tirelessly in District 6 installing large signs, planting yard signs, and old-fashioned door knocking.

Knocking doors with Ebony was fun, and slow going, as she knows MANY of the people in her district personally and they opened their doors for a conversation with a favorite friend. Ebony also is very active in community events representing her district and all of Anderson

County. She made masterful use of social media with regular, original, and informative content about local issues and events. So proud!

Sharon was a first time candidate from District 7 – and she knocked it out of the park with 33.57% of the vote! She handily beat the incumbent Sabra Beauchamp who received 21.22% of the vote. Sharon worked the District like a pro – knocking doors, planting signs, and all the while radiating a focused positive energy. The learning curve for new candidates is steep – she put in the work to craft her positions, became proficient with public speaking, effectively used social media, and blossomed into the role of Commissioner before Election Day made it official. Way to go Sharon!

Steve won his re-election (23.92%) over his fellow District 7 incumbent Sabra Beauchamp who received 21.22% of the vote. Steve's win also planted the stake that the far right-wing ideology of challenger Nathan Mullins (15.97%) is not what the people of District 7 want in their leaders. Congratulations Steve!
