Anderson County Rescue Squad

Monday, January 23rd – 6:30 to 7:30 pm – Shoney's in Oak Ridge

In January we will have the opportunity to learn about a valuable non-profit volunteer run emergency response organization serving Anderson County.

This group responds to a wide variety of emergency situations, from missing children to traffic accidents to water rescues to high school training events. These are the people you're glad are there and hope to never need.

The Rescue Squad will be doing fund raising for one of their newest members – Bocephus. "Bo" is a bloodhound puppy who will go to Search & Rescue school when the group has the training funds. Please bring your generosity.

Future ACDWC Events

We're hoping to be in Clinton for this event. Stay tuned for more information.

Last Month's Meeting: ACDWC and ACDP Holiday Party

The Holiday Party was a well-attended and joyful event this year after several years of prudent isolation. Between the ham and turkey, stuffing and mashed potatoes, side-dishes, and desserts no one left hungry, and the good conversations filled the room with fun.
