Anderson County Rescue Squad

Monday, January 23rd – 6:30 to 7:30 pm – Shoney's in Oak Ridge

We will have the opportunity to learn about a valuable non-profit volunteer-run emergency response organization serving Anderson County this month.

This group responds to a wide variety of emergency situations, from missing children to traffic accidents to water rescues to high school training events. These are the people you're glad are there and hope to never need.

The Rescue Squad will be doing fund raising for one of their newest members – Bocephus. "Bo" is a bloodhound puppy who will go to Search & Rescue school when the group has the training funds. Please bring your generosity.

With good luck, someone from the TN Dept of Transportation's "Yellow DOT" system will be able to speak to us as well. The "Yellow Dot" program gives you a way to communicate with first responders about your medical history if you are unable to after a car accident or emergency.
