

January 2022 Newsletter

Dear Anderson County Democratic Women:

It is that time of year again - we are collecting donations for our annual scholarship fund, which will support a deserving young female student for \$1000. This amount has recently been doubled and will provide important support for tuition and associated college expenses. Last year's winner, Eily Hancock of Clinton (now enrolled at Middle Tennessee State University) has repeatedly told the ACDWC of the benefits of this scholarship. We look forward very much to continuing this annual tradition, which is supported by your donations. Please help us keep alive this scholarship by including additional funds with your annual membership dues.

Thank you!
