

ACDWC & Women in Politics and Public Service Meeting

Monday, September 25th – 201 Café and Wine Bar

Approximately 80 women (and a couple fellas) met at the 201 Café in Oak Ridge to learn about getting more involved in local, state, and federal government. The evening started with networking, discussion, and sharing – and moved into a presentation by Lauren Rider and Sara Fischer. Gloria Johnson was scheduled to speak; however, her Mom died the morning of the 25th. Lauren and Sara are key members of Gloria Johnson's campaign team, and well represented her.
