

## **ACDWC Annual Business Meeting**

11/25/2024

The meeting was held at the Apple Blossom Restaurant in Clinton. We had an informative presentation by Chase Lindsey and Liz Ibbotson about the election stats in Anderson County. They were able to report on the results, as well as how the results compared to other counties, previous years, and other candidates in the same November election.

Ann Mostoller gave a synopsis of the programs the club hosted in 2024, with 7 informational programs, 1 picnic, and 1 holiday party. Amanda Mantooth provided year end financial numbers for the club. Ann Miller shared her goals for the club in 2025, including increasing membership, increasing the newsletter mailing list, having more club members serving on boards & commissions, sponsoring members to attend EMERGE training, and closing out our PAC status with the state.
