## **ADDENDUM – VEHICLE CONDITION WAIVER**

Swad Auto Transporters, Inc. thanks you for choosing us to transport your vehicle. Our goal is to provide a shipping experience that meets or exceeds your expectations. Should you have any questions or concerns, please contact our customer service department at 954-764-5700.

Due to the current condition of your vehicle, this Vehicle Condition Waiver is required and shall be incorporated as an addendum to the Bill of Lading governing the shipment of your vehicle. This Waiver documents that your vehicle has one or more existing conditions—including but not limited to a torn, broken, or otherwise compromised convertible top, window(s), trunk, or other condition(s)—that prevent the vehicle's interior from being fully secured against weather, environmental elements, or access by others, or that may otherwise contribute to damage during transport.

By signing below, you, or your authorized agent, acknowledge and agree that Swad Auto Transporters, Inc. shall not be responsible for any damage resulting from, related to, or exacerbated by the vehicle's existing condition. You hereby waive any and all claims for damage against Swad Auto Transporters, Inc., including any claims for subrogation on behalf of your insurer, arising out of or related to the transport of the vehicle in its current condition.

Furthermore, Swad Auto Transporters, Inc. shall not be required to handle or transport the vehicle with any special or extraordinary care to compensate for the vehicle's condition. In the event your insurer seeks to pursue any subrogation claim, you agree to defend, indemnify, and hold harmless Swad Auto Transporters, Inc. from and against any such claim, loss, or expense.

Nothing contained in this Waiver shall be construed to modify or amend the terms and conditions of the Bill of Lading, except as expressly stated herein.

By signing below, I, or my authorized agent, acknowledge that I have read and understand this Vehicle Condition Waiver and knowingly and voluntarily waive any and all claims for damage arising out of, related to, or contributed to by the vehicle's inability to be fully secured against damage.
