Re: Cause No. 19-7298-367, *Robert Oblon v. Jordan Brock*, in the 367th Judicial District Court, Denton County, Texas

Dear Judge Barnes:

On August 22, 2019, the Court entered its Amended Temporary Restraining Order (the "TRO") in the above-referenced matter. The Court set Plaintiff's request for temporary injunction for hearing on August 30, 2019. At approximately 3:30pm on August 29, 2019, Plaintiff's counsel notified me that he cancelled the hearing on Plaintiff's request for a temporary injunction. The TRO states that the temporary restraining order shall expire at the close of the August 30, 2019 hearing. Because Plaintiff cancelled the hearing, I believe it is appropriate to enter an order dissolving the TRO and denying Plaintiff's application for injunctive relief. Accordingly, I respectfully submit the proposed order included herewith for your consideration.

Sincerely,

Andrew P. Speicher
