

3K History Update for week of 5/11 - 5/15

Monday, 5/11:

Continue construction of your **Optional “Castle Replica Project.”**

Please carefully read the following steps that you will need to include in your project:

1. Your completed “castle” needs to represent a reasonable likeness to a medieval castle.

(A simple way for you to create this is by replicating a “**Motte and Bailey**” castle, which is a more simplistic construct). Please visit the 3N website at <https://monicanielsen.me> under the “History Resources” tab for examples. You can also do a quick “web image” search for the “Motte and Bailey” castle.

2. Once your castle structure is created, you must **correctly label the parts of your castle**. You can review the slide show of the “parts of a castle” from last Friday’s lesson below:

3. Castle Projects are due this Friday, May 15th.

4. Please have your parents take a picture of your finished project and send it to me in an email. *I can’t wait to see your creations!*

Tuesday, 5/12:

1. Continue to work on your Optional “Castle Replica Project.” Check out a couple of **completed project samples** from Alex C. and Patrick N. under the “History Resources” tab on the 3N website at <https://monicanielsen.me> !

2. Read Story #53 “**A Great Adventure,**” Pgs. 228-231 in “A Child’s History of the World.”

Wednesday, 5/13:

- **“S.A.I.N.T. TIME”** (*Stop And Investigate New Things*)

Thursday, 5/14:
