DRESS CODE SHOES

Several of our students have been wearing clog like shoes. These are unfortunately not in dress code. Our handbook states all shoes must be closed toed and closed backs. With warm weather and outside recess, students can easily slip out of these shoes. Please make sure your student no longer wears this type of shoe to school.

In addition, students must have athletic shoes on gym day or they will not be able to participate. Thank you for attention to this matter.

Service Learning

As part of our School Improvement Plan, students are learning about the importance of Service Learning. After researching several charitable organizations, students in grades K-3 are implementing a Service-Learning Project to help the Crawford County Animal Shelter.

They are accepting donations of dog food, cat food, animal toys, paper towels, and cat litter.

If you are an animal lover, please consider sending in a donation to help our furry friends. Thank you!

Thanks for your support & God bless!

Calling all students in grades 2-6 to help clear tables at each Friday Fish Fry. All those who help for at least one (1) hour will earn a dress down day!

Lenten Rice Bowls

The holy season of Lent is a special time of personal and spiritual growth. It is also a time for almsgiving to help those less fortunate. Once again, this year, each classroom has a Rice Bowl sponsored by Catholic Relief Services for the collection of loose change to help our neighbors across the globe and to fight poverty and hunger in our own community. Please consider sending in loose change with your child now through Easter Break. Together we can make a difference!

Please join us each Friday in Lent at 2:15 PM as we pray the Stations of the Cross.

MEGAMOHLAH

More tickets are available by contacting the school office. The first \$500 drawing will be held on March 31.
