MAP Testing Measuring Academic Progress

Math K-3 Tuesday, Sept. 9
Reading 4-6 Wednesday, Sept. 10

Our first week of MAP testing is behind us! While standardized testing can seem tedious, it is beneficial at the beginning of the school year to set student benchmarks and drive instruction. Test results will be shared with parents during fall conferences.

Please make every effort to avoid outside appointments on testing days. Also, we encourage a good night's rest and a healthy breakfast so students will perform their best. Thank you for your cooperation.

Thank You Grandparents!

We are so grateful for all the wonderful grandparents that visited our school today! It was a pleasure being able to celebrate Mass together and have a time of fellowship. Grandparents are a true blessing!

DID YOU KNOW... As a parent of a St. Joseph student, you are a member of the parent group P.A.W.S. Research shows that involved parents have higher achieving students. This group helps with school events and fundraisers. The first meeting will be on *September 9 at 6:30 PM* in the Convocation Center. I hope to see many parents there!
