Dear parishioners,

It is that time of year when people start getting excited about Christmas. In case you don't know... I don't get into Christmas much until actual Christmas. Like last year you are only going to see a few decorations until Christmas actually arrives in my house. Yep it seems like everybody is talking about Christmas. BUT I WANNA TALK ABOUT ADVENT. I think it is too early for Christmas but not too early to start thinking about Advent.

We have a few things coming up to prepare our hearts for Jesus this Advent. First thing both parishes will be offering the "Hallow app" free to all parishioners. The Hallow app is a downloadable app that offers many things through media to help us grow in the Catholic faith. It offers talks, prayers, reflections, and music to help us prepare the way for Jesus in our souls this Advent. The Hallow app is a free gift from our parishes during the Advent season. Look in future bulletin inserts on how to take advantage of and use the Hallow app.

Not only do I hope that you receive this Advent gift of the Hallow app... but I hope that we also open ourselves to giving gifts this Advent. St. Joseph School is having a Thanksgiving Food Drive from November 1-19. Items can be dropped off at the school during school hours 7:45-2:30. Most needed items are chicken, tuna, pasta, rice, healthy cereal, fruit in juice and tomato sauce. A \$20.00 cash donation can also be accepted. These items will go to C.A.M.P in Crestline.

Starting this week end Sacred Heart of Jesus will have their blue barrel of charity at Sacred Heart parish. Listed on the blue barrel are items that our local CAMP and FISH food pantries need this time of year. Please be generous in placing items in the blue barrel.

Also, next weekend at St. Joseph and Sacred Heart parishes we will be taking a special collection for the Crawford County right to life. The proceeds will go toward helping the "Crawford County Right to Life" advertise their message of respecting all life especially life in the womb. We will have ushers at the exits with baskets collecting any donations people offer as they exit Mass next week.

Let us prepare the way for Jesus this Advent by receiving the parish's gift of the Hallow app and by giving small gifts to worthy causes such as the Crawford County Right to Life and our local food pantries.

Advent is coming and so is Jesus!

Fr. Jeff

WATCH

ST. GIUSEPPE MOSCATI: DOCTOR TO THE POOR

Giuseppe Moscati, "the holy physician of Naples," as a medical doctor and layman in the early twentieth century who came from an aristocratic family and devoted his medical career to serving the poor. His research also led to the discovery of insulin as a cure for diabetes. Moscati regarded his medical practice as a lay apostolate, a ministry to his suffering fellowmen. Before examining a patient or engaging in research, he would place himself in the presence of God. He encouraged his patients to receive the sacraments.

The Thirty-Third Sunday in Ordinary Time

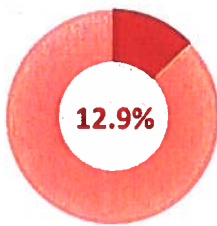

NOVEMBER 14, 2021

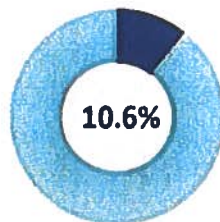

World Day of the Poor

WHO LIVES IN POVERTY USA?

All those who make less than the Federal government's official poverty threshold... which for a family of four is about \$25,700. People working at minimum wage, even holding down multiple jobs. Seniors living on fixed incomes. Wage earners suddenly out of work. Millions of families everywhere from our cities to rural communities.

Women

Men

Poverty does not strike all demographics equally. For example, in 2018, 10.6% of men, and 12.9% of women lived in Poverty USA. Along the same lines, the poverty rate for married couples in 2018 was only 4.7% - but the poverty rate for single-parent families with no wife present was 12.7%, and for single-parent families with no husband present was 24.9%.

In 2018, the poverty rate for people living with a disability was 25.7%. That's nearly 4 million people living with a disability—in poverty.
