## BELIEVERS

*Dear Friends and Supporters,*

As we reflect on 2024, we are immensely grateful for the impact Bloodline Believers Inc. has made in our community, all made possible by your generous support.

Throughout the year, we provided approximately **4,442 meals** to those in need through our ministry, The Feeding. Our Reach Recovery nights saw a **total attendance of 1,855**, offering crucial support to individuals on their journey towards recovery. Looking forward to this year, we are setting ambitious goals to expand these vital programs. We recognize the need to significantly increase our financial resources to continue operating and growing our initiatives. To address this, we plan to introduce at least two new engaging fundraisers aimed at supporting costs associated with our feeding building rent and other operational expenses.

Moreover, we are seeking to strengthen and increase our partnerships with local churches and businesses. These collaborations are essential as we strive to extend our reach and deepen our impact by not only providing meals but also having space for encounters with Jesus and making room for His power to set the captives free.

This year, we are also focusing on measurable impacts beyond traditional metrics. We aim to count and celebrate every instance of salvation, healing, deliverance, and other miraculous movements of God within our community, emphasizing the profound spiritual outcomes of our collective efforts.

Our programs thrive because of our incredible volunteers. Over the course of 2024, we had the support of approximately **1,300 individual volunteer engagements** in our Feeding Program and **around 560** in our Reach Recovery sessions. Many of these volunteers have come from individuals requiring community service hours. Their dedication has been pivotal in our ability to serve and uplift the community. As we look to 2025, we are eager to welcome more volunteers to help us expand our reach and impact.

To continue our mission and expand our programs, we need increased financial support. Your contributions enable us to serve more people and make a tangible difference in their lives. Please consider increasing your support or beginning support this coming year. You can donate through our website: [bloodlinebelievers.life/give-1](https://bloodlinebelievers.life/give-1)

## BELIEVERS

We are *deeply* thankful for the partnership and support of **West Rome Baptist Church, Northside Church, Bridal Reign Ministries, Community Church Ministries, Complete Cycle of Rome L.L.C., our beloved ministry attendees, and a few faithful friends along the way.** Your collaboration enriches our programs and extends our impact throughout the community.

Looking Ahead: Our goal for 2025 is to continue growing our ministry and reach even more people in our community. We are committed to extending the scope and effectiveness of our ministries, fueled by your continued support.

We thank each of you for your partnership in our ministry. Your support, whether through time, resources, or prayer, is invaluable to our mission. Together, we are making a profound difference in the lives of many.

Thank you for being part of our journey. We are excited for what the future holds and how, together, we can continue to serve those who rely on us.

**We love you and bless you!**

**Will Pollard**
