Commander's Call

Legion Family All.....

I see that Monday March 29th is National Vietnam Veterans Day. That brings back a lot of memories to me. When Vietnam vets were coming back home and looking for a Veteran's organization to join, they weren't treated very well and some were even discouraged from joining. Funny how times have changed. Now the Vietnam vets are running all of the veteran's groups and doing a great job of it.

When I joined the Post 3 Honor Guard some 12+ years ago we were providing the honors for mainly World War II vets. Since then, we have moved on to Korea vets and Vietnam vets are more and more receiving the Honors. Post 3 loses about 12 members every month to Post Everlasting. Not only does that keep the Honor Guard busier than we want to be, but it makes it pretty tough to keep our membership growing. Your help is needed to enroll new members. If you don't feel confident in asking your veteran friends and family to join Post 3, please let me know and I'll make sure you get all the help you need.

Post 3 soldiers on every month with in person meetings and same time Zoom coverage. Come join us at the Elks Lodge (58th and Old Cheney-Trade Center) on the second Tuesday

each month at 6:00PM for a light buffet with the Post meeting beginning at 7:00PM. The Zoom link to our meetings can be located at <https://bit.ly/2YOMIYI> . Either way we welcome your participation.

A wise old man once told me that there are 4 stages of everything. I have come to believe he was right. I'll pass them to you for you to try out and see for yourself:

- 1) Doing wrong things wrong. That means you are trying something new to you and you are trying all the wrong things and even doing them wrong. Painful.
- 2) Doing wrong things right. That means you still haven't figured out what the right things are, but at least you are doing what you know, better. Still somewhat painful.
- 3) Doing right things wrong. Now you have progressed to understanding what the right things are but haven't figured out how to do them right. Less painful.
- 4) Doing right things right. This is the sweet spot. You are doing right things right and accomplishing everything you set out to do. HOORAY!! Success is sweet.

I believe Post 3 is fast approaching Step 4 and with your help we will be a Step 4 Legion Post with a bright future.

Respectfully,

Wade Graft

Post 3 Commander

wamar4801@gmail.com

Adjutant's Report

Welcome, Spring has sprung.

A word of thanks to my fellow Vietnam Veteran., It's Vietnam Veterans Day as I write this message. National Vietnam War Veterans Day will be observed on Monday, March 29, 2021.

Department is still pushing membership, wanting to reach a 95% renewal rate by April 15th. For those who have not paid their 2021 Legion year dues, could you please do so. We have been busy reaching out to those who had not renewed for 2020 and to the Post 0500 members. We have had a fair response from those NE Post 0500 members. 25 have transferred to Post 3 since January 1st, 2021.

For those who do not know about Post 0500. It is an administrative holding post for members who have joined through an American Legion National Headquarters mailing to veterans. The cost for the current year is \$50.00 dollars but will likely be going up after the 2021 Department Convention this spring. There is a motion to raise the dues to possibly \$65.00 or \$70.00.

For those who have lost a love one, could you please drop us a note or call and let us know. If you could please let us know of the of the veteran's death, and the date of his/her passing.

If you have paid your dues, and by chance you happen to get a renewal notice, please just throw the notices away. You do not need to write and tell me that you have your 2021 card,

etc. Dues notices are sent out from the National Headquarters. With the covid-19 lock down, there are a few renewals that do not reach National in time for them to be processed before they send out the next renewal notice.

If, by chance, you have paid and never received your 2021 membership card, call the office.

There have been a few mailings that have come back due to a bad address or that have been eaten by the postal machines to the point that I cannot tell whom they were sent to. So do call if you are missing your 2021 membership card.

If you are receiving the monthly newsletter and know a member who does not get it, would you drop us a note so we can add them to our email list. If you do not want to receive the newsletter, drop us a note with your phone number and an email address and we would be glad to remove it from our mailings. Same goes for the Post 3 paper, Department Newspaper and National "Legion" magazine.

Legislative bills are still working their way through the current Nebraska Legislative session. The Nebraska office of Veterans Affairs web site has a list of bills that you might wish to keep track of. With this pandemic, in person testimony has been limited. The best way to let the members of the Legislature know of your support for these bills is to drop them a note. The Veterans Affair web site has directions as to how best do this. Two bills of interest are, 1) making military retirement pay tax free of Nebraska income tax, 2) property tax for those 100% disabled on one vehicle.

Thanks for your service,

Ed Schnabel

Adjutant

Lincoln Community-Based Outpatient Clinic / VA News

The new Lincoln CBOC served its first patients on March 2nd, 2021. They are still working out some of the bugs, that come with opening any new building. If you get a chance, stop by, and see what \$49 Million Dollars bought. The current Lincoln VA Hospital, built in 1929 and opened in 1930, was one of the first VA Hospitals built. It will be turned over to the Lincoln Senior's Center on June first, who will be moving it's administrative offices and downtown senior center into the area that was the Lincoln CBOC Clinic. Watch for more details.

The VA is still doing covid screening. They ask you not to come to the Clinic unless you have an appointment, and not come more than a half hour before your appointment.

Covid-19 Shots are now being given on the second floor. If you have not been called, you need to call your primary caregiver and request an appointment.

NOTE: To receive a shot from the VA you must be enrolled in the VA Health Care System.

If you get a call from the VA Health Care System, then you are enrolled. For those who do not currently used NWI (Nebraska Western Iowa) Health Care System, Omaha VA

Hospital or the local CBOC's, you can call 404-828-5257 to check if you are enrolled and enroll if you are not currently enrolled.

They request that you use the VA Facebook or the VA web site to request an appointment. The VA will call you back to make the appointment with you. They have brought more staff on hand to handle these covid-19 requests.

Shots are only being given to the veteran and those who are enrolled as a Veteran Care Giver with the VA.

Remember, the VA will only to be there for us if we use its services. If we do not use them, the government sees it as a service not needed here and will cut funding for the Lincoln CBOC. The government funds each CBOC / hospital based on the number of veterans signed up for services in its service area. You do not need to be using the VA for your medical needs, just need to be enrolled in the VA Health Care System.

Funding is based on foreseen needs, not current need. Thus, we need to talk with our fellow veterans to be sure they are enrolled in the VA system. There are many veterans who could receive medical service but have never signed up for this benefit of our service. Again, it is the old story, use them or lose them.

Thanks for your service.

Ed Schnabel

Lincoln VAG member (Veteran Advisory Group) Lincoln VA American Legion Representative for Nebraska

Post 3 ALR Commander's Remarks

Greetings Fellow Riders and all,

Thankfully, the weather is becoming more moderate. This means that more motorcyclists will be on the road. I ask my fellow Riders to keep their heads on a swivel and be aware of the actions of other drivers. I ask my fellow Legionnaires on four (or more) wheels to keep your eyes open for those of us on two- or three-wheels. Together, we can keep each other safe.

I'd also like to take the opportunity to remind everyone of our fundraiser Poker Run, scheduled for May 22nd. Anyone, regardless of mode of transportation, is welcome to participate. Registration will be from 10am until noon at Frontier Harley-Davidson on West O Street. Our designated charities for this year's proceeds are Pets for Vets and Guitars for Vets. Many brave troops return home with scars - both seen and unseen - that make it difficult to transition back to civilian life. At the same time, millions of wonderful companion animals wait in shelters for a forever home. Pets for Vets is the bridge that brings them together. When a Veteran is matched with the right pet, both lives change for the better. The Veteran saves the animal and welcomes him/her into a loving home. The pet provides

the Veteran with unconditional love and support, easing stress, depression, loneliness, and anxiety. Guitars for Vets is a non-profit organization that teaches guitar to Veterans who are referred by doctors. The program is aimed at providing Veterans struggling with physical injuries, PTSD, and other emotional distress in a structured program that uses the healing power of music. The Veterans gather each week for a few hours of guitar lessons. The program gives the participants free lessons and loaner guitars. If the Veteran completes the 12-week program, the national G4V program sends the Veteran a new guitar which is theirs to keep.

I hope to see many of you, even if you are not a Rider, come out on the 22nd of May and help our Legion Riders chapter raise funds for these two worthy causes. Note that you do not have to complete the designated route to be eligible for prizes. You will be able to draw your complete hand during registration if you wish.

**Until next time,
Ride Safe!**

**Bruce Gubser
Commander
Lincoln Chapter 3, American Legion Riders**

Message From The Chaplain

" The Next Step"

Rev. Dr. William Jackson
Lincoln ALP 3 Chaplain

**(AL National Commander visiting
Legionnaires at ALP 1, Omaha, NE.**

Courtesy Lincoln ALP 3)

It's Spring, and many Christians' hearts turn to Palm Sunday, Good Friday, and Easter Sunday. It's the season of Lent, Mardi Gras, and related human expressions of God's love for us to the extent He'd die for us without hesitation (Ephesians 5:2).

Would you do that, I wonder?!?!? Or me?!?! What is it to offer your life for your fellow woman, man, girl, or boy? Are their lives worth more to you than your own? Know that Jesus regards your life precious, but to give it up in favor of another elevates you to Apostle Paul's admonition that to "...live is Christ...to die is gain...(Philippians 1:21)".

What's the story here, you ask? It has to do with how God views YOU in your daily, holy living, by His standard of morality and ethics, versus that of the world (Ephesians 4:14). Are you that much of a *Nebraska Legionnaire* who aligns themselves with the American Legion National Commander James W. "Bill" Oxford's call for unity and service in remembering your faithful service to your nation? You're a VETERAN, not a mere citizen of one of the most powerful socio-cultures and socio-economies on this planet Earth?

The thing is: stand up and be counted by doing what you can to make America once again a nation of individuals recognizing their unity and patriotism. Be proud to be a person of God. Be a woman, man, girl, or boy who realizes the great blessing we as a nation have been given as a witness of His power and majesty, not our own. As noted in 1 Thessalonians 2:10, we should be as "...witnesses, and God also (to) how holily and justly and unblameably we behaved ourselves among you that believe..."

If we want the only home we've known to mean anything, remembering how we've stood up for this nation's principles in battles against tyranny, and from where we've sent missionaries around the world as witnesses of His greatness in us. What's going to become of us (Romans 8:35-39)? I hope you won't be one of those who'll mutter softly...I don't know...

Rev. Dr. William Jackson
Lincoln ALP 3 Chaplain

Post 3 Honor Guard

In the month of March, the Honor Guard rendered "Honors" at 12 Legion funerals and was asked to assist at 5 VFW funerals. In 2021, the Honor Guard has rendered "Honors" at 45 combined funerals.

March 2021 TAPS

LAST NAME	FIRST NAME	BRANCH	WAR ERA	YEARS

Minutes Of Post 3/(District 15 Convention), 03/09/2021

**Regular Meeting of American Legion Post 3
(District 15 Convention)**

**Lincoln Elks Lodge #80 and also on ZOOM
March 9, 2021**

District 15 Commander Ed Muggy opened the March 9, 2021 meeting of American Legion Post 3 at the District 15 Convention at 6:30 PM at the Lincoln Elks Lodge 80 with about 30 Legionnaires and guests present. Several other Legionnaires and guests joined on ZOOM during the course of the meeting.

William Jackson offered prayer.

Two new members were recognized, and the veterans of the various war eras were asked to stand and be recognized.

Commander Muggy recognized a number of Department officers and guests, to include Alternate NECman Fred Craigie, Department Commander Gary Wooten, SAL Detachment Commander Bud Neel, Department Senior Vice Commander Doug Frahm, Department Chaplain William Jackson, Area C Vice Commander Bonnie Brewer, Department Children & Youth Chairman Don Suchy, District 15 Vice Commander Bruce Gubser, and John Henry Piercy.

Commander Muggy read the convention call.

Area C Vice Commander Bonnie Brewer encouraged the members of Post 3 / District 15 to make a good showing at the

Department Convention (to be held in Lincoln June 24-27)

She also encouraged participation in the Oratorical Contest and pointed out that Area C is the only area to offer a Junior Contest.

Department Senior Vice Commander Doug Frahm offered remarks regarding Consolidate Post Reports, Boys State, Junior Law Cadets, the Medal of Honor designation for Highway 20, post incorporation, reporting of officers to Department Headquarters, Teacher of the Year nominations, and the National Emergency Fund.

Detachment Sons of the American Legion Commander Bud Neel offered comments on a variety of topics.

Past Department Commander Mike Reimers joined the meeting and was recognized by Commander Muggy.

Alternate National Executive Committeeman Fred Craigie brought greeting from the national organization and made remarks on several national issues or resolutions.

**Department Commander Gary Wooten wished a 102nd Happy Birthday to the American Legion and offered a few highlights of American Legion accomplishments over the decades. He also provided an update on National Commander Bill Oxford's scheduled visit to Nebraska this coming weekend.
(Minutes – Continued)**

Commander Wooten reported on the activities of two ad hoc committees charged with investigating the possible relocation of the Department Headquarters. He identified some of the problems with the current building, to include handicap accessibility to the basement. Upon inquiry, he responded that none of the current staff is willing to relocate --- the study committees are not considering a move --- if any --- to a location other than in the Lincoln area.

Commander Wooten announced that Kylea Pestel had been hired as the new media specialist and anticipates she will do a good job. He also made a few comments about the Gifts for Yanks program and encouraged everyone to be signed up for the free insurance offered by the Legion Insurance Trust (LIT).

Commander Wooten presented several awards to Post 3, to include the 2020 Post Membership Retention Award, a Certificate of Distinguished Service from the National Americanism Commission for 2019-2020, the Annual Children & Youth Citation for Outstanding Achievement for 2019-2020, and the Americanism Citation for Outstanding Service to Your Community for 2019-2020.

The Commander concluded his remarks with some good membership news. It appears that he has won a friendly personal wager with the Department Commander from Kansas. It appears that Nebraska has been successful reaching the 90% target for March 10th. And, it appears

that Nebraska will be one of the winners in the "Big 12" competition.

Commander Muggy read off a list of reasons why --- and then announced that District 15 Vice Commander Bruce Gubser has been selected as the recipient of the District 15 Citizenship Award for 2021. A formal presentation will be made at the Department Convention.

Upon proper motion and second, Steve Bartos and Fred Craigie were selected as delegates to the national convention.

The following Legionnaires made brief comments regarding their candidacy for office for the coming year:

James Doyen (via Zoom) --- Area C Vice Commander

John Henry Piercy --- Department Senior Vice Commander

Don Suchy --- Department Senior Vice Commander

Doug Frahm --- Department Commander
Mike Reimers --- Alternate National Executive Committeeman

Jim Costello (by Gary Wooten) --- Alternate National Executive Committeeman

Fred Craigie --- National Executive Committeeman

Upon motion by Steve Bartos, Post 3 approved the funding for one additional Boys State delegate.

Rev. Jackson read TAPS, and the convention was closed in proper form at 8:20 PM.

Steve Bartos, Recorder

Arlington National Cemetery

Pictured: Reportedly the first permanent armed military guard at the Tomb of the Unknown Soldier, March 25, 1926.

The Sentinels of the Army's 3d. U.S. Infantry Regiment (The Old Guard) are iconic figures at the Tomb of the Unknown Soldier. However, the Tomb was not always guarded. After its creation in 1921, the Tomb sat unguarded for several years. As the site became popular with tourists as well as mourners, instances of disrespectful public behavior led the Army to employ civilian guards. By 1926, many in Congress, the military, and the American public were calling for the establishment of a permanent military guard at the Tomb. (These first guards were not members of The Old Guard, which began its 24/7 watch at the Tomb in 1948.)

On March 24, 1926, Major General Fox Connor, the Army's deputy chief of staff, sent a memorandum to the adjutant general, explaining: "The Secretary of War desires that orders be issued establishing an armed guard (rifle) at the tomb of the unknown soldier in Arlington Cemetery.... If practicable, orders should be issued by telephone this afternoon in order that the guard may begin tomorrow." Per these orders, the first armed military guard began duty at the Tomb on the morning of March 25, 1926.

The Tomb of the Unknown Soldier Reopens at Arlington National Cemetery

The monument had been closed to the public for almost a year.

WRITTEN BY [DANIELLA BYCK](#)

The Tomb of the Unknown Soldier at Arlington National Cemetery [has reopened](#) to the public for the first time in almost a year. On Tuesday, [March 9, 2021](#), the monument, and surrounding plaza—which have been closed for the past 11 months due to coronavirus restrictions and ongoing maintenance— began allowing visitors once again.

As with any reopening that occurs amid the pandemic, there is a new a set of health precautions and safety guidelines. Only 150 visitors are allowed on the plaza steps at a time, and masks are required. Visitors can still witness the hallowed tradition of [the changing of the guard](#), which will occur every hour until April 1. Afterwards, the ceremony will occur every half hour.

Arlington National Cemetery is open daily from 8 AM to 5 PM.

Medal of Honor Recipient and Korean War Soldier Accounted For

BY [U.S. ARMY PRESS RELEASE](#) - MARCH 19, 2021

The Defense POW/MIA Accounting Agency announced that Korean War Medal of Honor recipient, Army Chaplain (Capt.) Emil Joseph Kapaun, has been accounted for.

Kapaun, of Pilsen, Kansas, served as a chaplain with the 3rd Battalion, 8th Cavalry Regiment, 1st Cavalry Division. On Nov. 2, 1950, the 3rd Battalion was near Unsan when the unit came under heavy fire and received orders to withdraw.

Eventually surrounded and besieged by Chinese Communist Forces, unit members became trapped and dug inside foxholes or behind bunkers. Kapaun stayed with the wounded but was soon captured and marched from village to village, with little food and shelter, to Old Pyoktong, later known as Chinese Camp 5, on the south bank of the Yalu River.

While a captive, he ministered to other prisoners of war, although he became mortally ill. He celebrated a final Easter Mass for the POWs in late March and shortly afterward was taken to the “sick house,” an old pagoda where he died of exhaustion and possible heart failure induced by pleurisy at the age of 35 on May 23, 1951.

Chaplain Kapaun repeatedly risked his own life to save the lives of hundreds of fellow Americans. His extraordinary courage, faith and leadership inspired thousands of prisoners to survive hellish conditions, resist enemy indoctrination and retain their faith in God and country.

“After 70 years Chaplain (Capt.) Kapaun has been accounted for. His heroism and resilient spirit epitomized our Army values of personal courage and selfless service,” said acting Secretary of the Army John E. Whitley.

As part of the 1953 Korean Armistice Agreement, Kapaun’s remains were among the 1,868 who were returned to U.S. custody, but they were not able to be identified. At a White House ceremony on April 11, 2013, President Barack Obama posthumously awarded Kapaun the Medal of Honor for extraordinary heroism and selflessness.

Currently there are approximately 7,500 service members who served in the Korean War who remain unaccounted for. Accounting for Chaplain Kapaun “reaffirms our commitment to never leaving a fallen comrade,” said Chief of Staff of the Army James C. McConville.

German Boys Visit the American Tanks in the Woods Near Their Village

On a beautiful afternoon in late October less than a month after 4th Brigade arrived in Germany, the five tanks of First Platoon, Bravo Company, moved into a defensive position on a hill outside a small village near Fulda. The village was visible in the valley below more than a mile away.

All of the tanks were below the crest of the ridge.

We had an observer team on the ridge. The rest of the platoon was working on the tanks or scouting out places to sleep near the tanks. Five minutes after the last tank was in position, three boys rode up the dirt road that connected the village with our position. The oldest was ten years old.

I used to play Army in an apple orchard near my home in Stoneham, Massachusetts, when I was their age. I was thinking that if I saw a platoon of tanks in woods I would have been on my bike and getting as close as those soldiers would let me. I also thought how different life in Stoneham would have been if a foreign Army could just park a platoon of tanks in the orchard.

I jumped down from the turret and waved for the boys to come to my tank. No one else seemed particularly interested in having kids near their vehicle. My driver and I lifted the kids up on the fender of the tank and let them sit in the driver's seat and gunner's seat. They put on our helmets and talked to each other on the intercom system. We gave the kids the waxy, canned chocolate that came in our C-rations.

They oldest spoke excellent English. I asked if he would go to the village and bring us back some food from the local baker and butcher shops. He said he would right away. I gave him ten Marks. As he rode away, the driver of Bravo 13, who was from New Jersey, said, "Sergeant Gussman you are never going to see those kids again." Some others joined in. I was happy to see the platoon sergeant and the commander of Bravo 15, the only other soldier who had been to Germany before, did not say anything.

The boys seemed like good kids to me. Almost an hour later, the older boy came back alone. He said the younger boys had to go home. He had a backpack. Inside was sausage, butter, two loaves of bread, and some small candies. He spent 9 Marks, 98 Pfennigs, and gave me the two Pfennigs change.

My crew and I got our camp stove out right away while it was still daylight and started cooking that sausage. I gave the boy some more C-ration chocolate and said to come back tomorrow, we were probably going to be there for the night. He thanked me again and rode away.

My crew and I made a big show of cooking that sausage and talking very loudly about how you can't trust those German kids. We also inquired about what the crews on either side of us were having for dinner.

The next time we stopped near a village and kids showed up, it was a competition to see who could get the kids to make a grocery run.

That little boy is 44 years old today. The other two are 40 and 42 if I guessed their ages correctly. I wonder what they think now. There has been peace in their country for their entire lives, but many foreign armies have lived in their country and trained for a war that, thankfully, never came. I hope they have good memories of the soldiers who parked a platoon of tanks in their woods. In fact, I hope they have nothing but good memories of American soldiers.

YOU KNOW YOU'RE A VETERAN IF...

1. You can't fathom how people don't understand "military time"
2. You have a strong distrust for anybody named "Jody"
3. You can't watch most military dramas because they're so corny and wrong
4. You walk fast and your first step is always with your left foot
5. You still use the basic training "knife hand" to get your point across
6. People are always impressed by how ridiculously fast you eat
7. You laugh when you see people on Survivor cry after not seeing their family in 2 weeks
8. You clean your equipment before yourself
9. You don't carry things in your right hand
10. You still refer to everyone around you by their last name

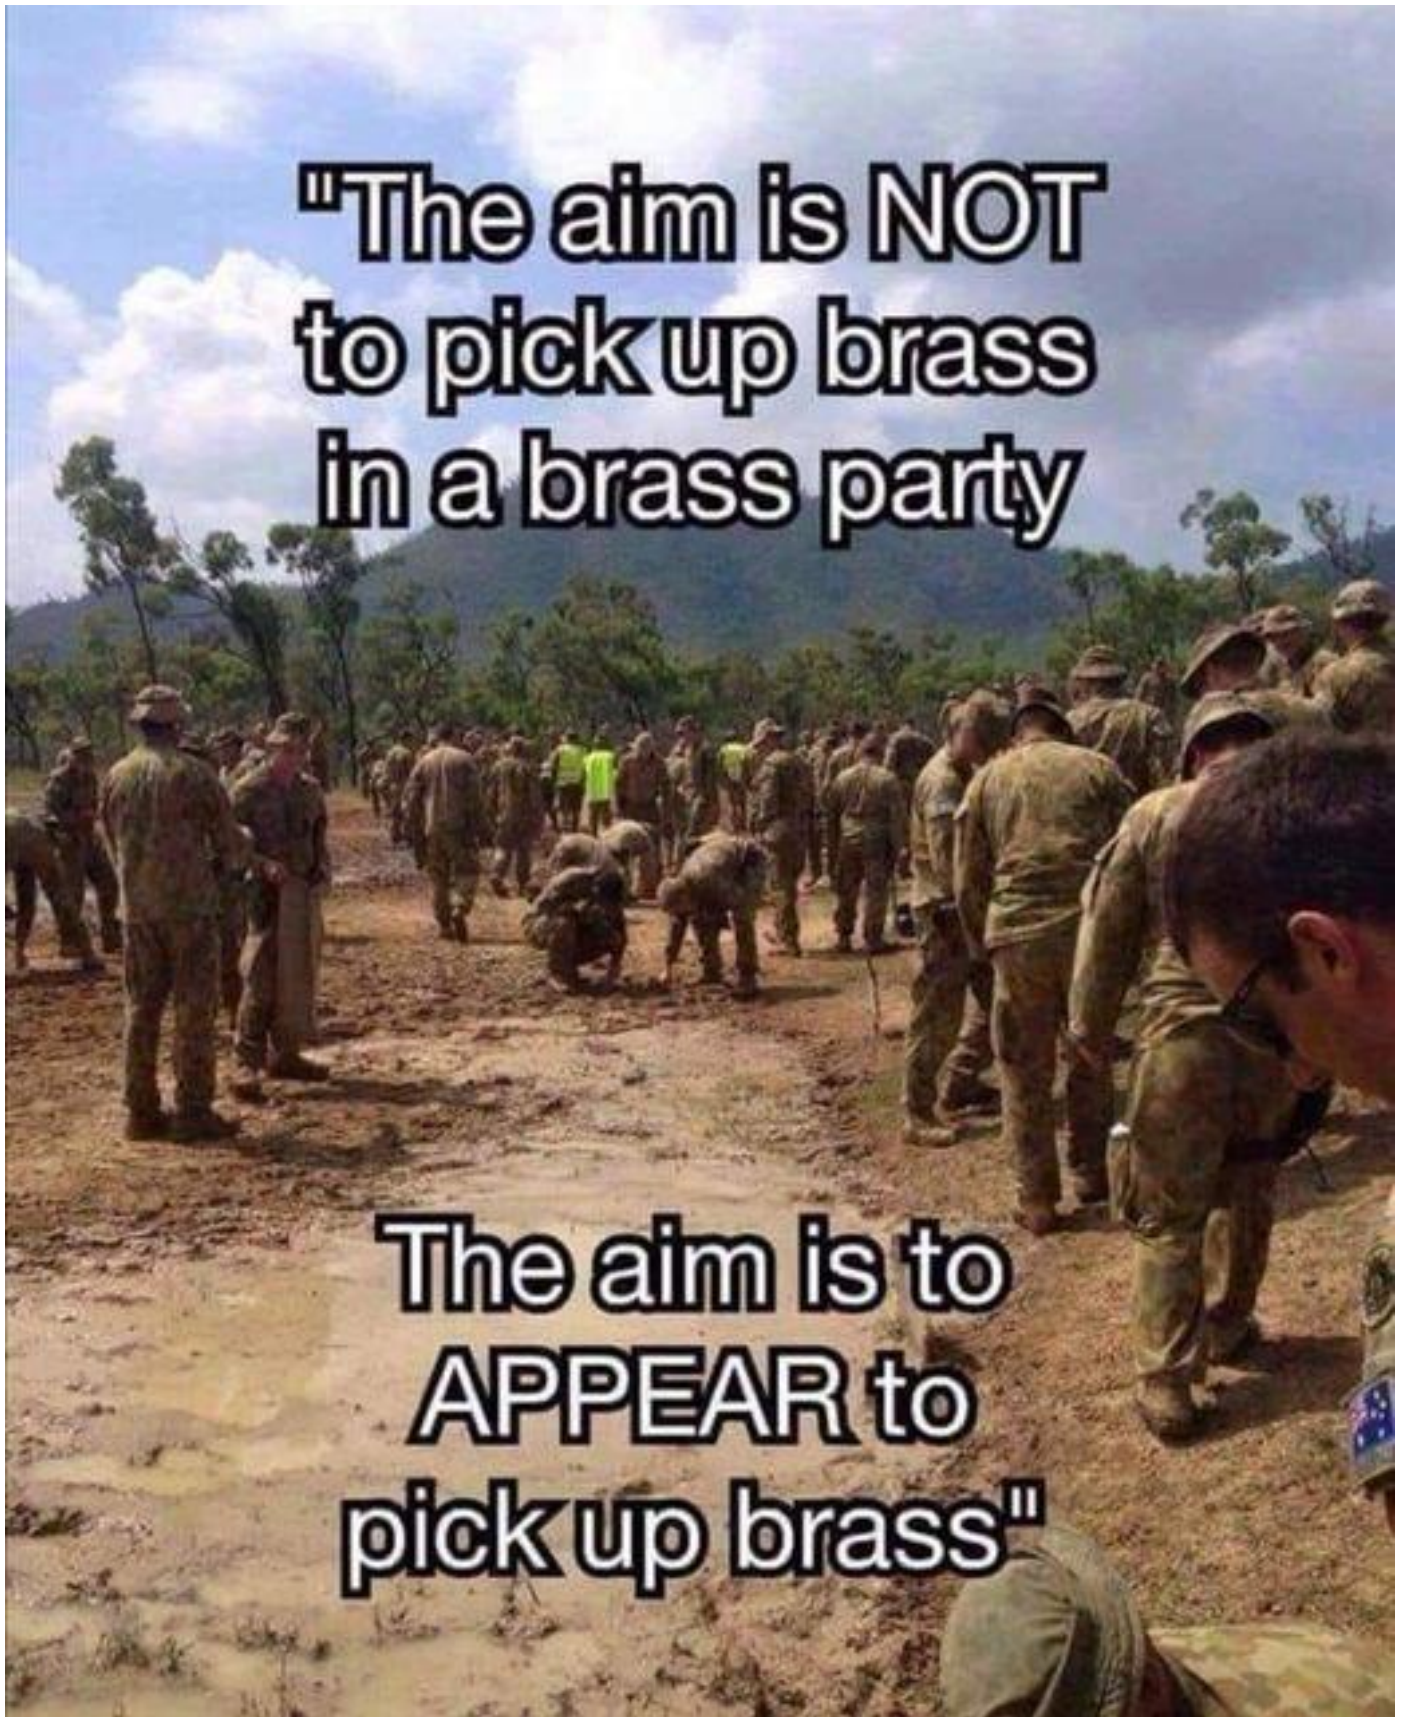

U.S. Presidents play a lot of golf for some reason. I don't really get it.

Here you are, the Commander-in-Chief of the armed forces, wasting time on a golf course when you could literally go to ANY military installation and spend HOURS putting thousands of FREE rounds downrange through dozens of various weapons (and weapon systems!) that you will NEVER have to clean.

But no, let's go golfing instead.
Dumb.

**"The aim is NOT
to pick up brass
in a brass party**
