Director- asked for suggestions on use of the 2024 donations of funds we acquire from the poker run and raffle. Bill Beede suggested that the VA's veterans in recovery or whole health programs are now using the Innovation studio at UNL innovation center to assist veterans, and this would be a great place to donate to support these efforts for veterans that are struggling. At the suggestion of Bruce Gubser this discussion was tabled until later in the year as there was no need to make any decisions at this time.
