2. Download this playlist on the platform that works best for you: Apple, Google, Podbean, Spotify, Amazon, iHeart, Samsung, PlayerFM, Podchaser, Listen Notes, etc.
3. Like, follow, and leave a 5 star review about your favorite episode

“This podcast paved the way for my modeling journey. Lola Chel has been my model coach since early 2020 and I would not be where I am today without her knowledge and expertise. Since being her student...I been signed, got a few paid jobs, and learned how to build a quality portfolio.
