An Open Letter to the State of Minnesota - Governor Tim Walz

July 25th 2024

Dear Fellow Minnesotans,

This open letter to Governor Tim Walz is to inform you, the General Public, of the office he holds and to whom he owes good faith service. This open letter is presented by The Minnesota Assembly (unincorporated).

See our website at www.theminnesotaassembly.net

Mr. Walz,

This letter is to inform you and your office that The Minnesota Assembly (unincorporated) is in session once again after more than 160 years of recess. The members of The Minnesota Assembly have now repopulated the Land and Soil jurisdiction of living people who are properly declared, recorded and published as either American State Nationals or American State Citizens. As American State Nationals and American State Citizens, we are self-governing people who keep the Peace and uphold the Public Law of The United States of America (unincorporated). <http://annavonreitz.com/ourgovernments.pdf>

Our unincorporated government “of the people, by the People and for the people” now in session presents itself as the Lawful and Sovereign republican form of government owed to all Minnesotans. The Minnesota Assembly is the historical Employer of both the Territorial and the Municipal business organizations (corporations) Doing Business As (dba) the “State of Minnesota” (incorporated) and the “STATE OF MINNESOTA” (INCORPORATED), respectively. Both of these corporations are foreign, for profit,

commercial corporations in the business of providing governmental services. Mr. Walz, you are a MUNICIPAL Corporate Officer when in your role as the GOVERNOR of the STATE OF MINNESOTA and a Territorial Corporate Officer when in your role as the Governor of the State of Minnesota. You are acting as a foreign agent on American soil since the Reconstruction Acts of 1865 while in the role of Governor or GOVERNOR. While occupying either office, you are under contract to provide government services, functioning in the international jurisdiction of the sea, as opposed to The Minnesota Assembly, which functions in the international jurisdiction of the Land. The actual and organic state, Minnesota (unincorporated), governed by The Minnesota Assembly, is not in service to its Employees; rather The Minnesota Assembly, which is entirely populated by properly declared Minnesotans, provides direction to its Employees, those employed by the State of Minnesota and all of its political subdivisions. [See page 4 for “Structure Chart for the American Government” and “Citizenship Chart” on page 5](#)

We, The Minnesota Assembly, wish to fully inform you and the corporation(s) that you represent, are employed by us to provide governmental services as outlined in the Northwest Ordinance of 1787, which has never been repealed. We also wish to inform you of the crimes against the General Public and harm done to the living men and women on Minnesota. These crimes include, but are not limited to, unlawful conversion, identity theft, mischaracterization, securities fraud, personage, barratry, fraudulent mortgages and so much more.

For example, Personage, which is the crime of knowingly misrepresenting a living man or a living woman as a legal fiction Person/PERSON, some form of corporation, such as a trust, public utility or foundation. [See page 6 for an example “Diagram of Fraud”](#)

Another example of a crime occurring daily in the corporate “District Courts,” is Barratry, which is the crime of knowingly bringing false claims and charges based on Personage, in order to apply foreign statutory law against living men and women. These are all high crimes and are being committed under color of law. <https://annavonreitz.com/fullinfoforattorneys.pdf>

The vast crime and fraud masquerading as our present system of governance must be recognized, opposed and corrected. It is the intent of The Minnesota Assembly to peacefully correct this unlawful conversion of our birthright as living people on the land and soil and to clean up and correct this mess that has proliferated for decades, like a cancerous tumor.

You and the corporations that you represent, their franchises, agencies and employees are under contract to protect and serve the people on Minnesota. Therefore, you owe us good faith service, friendship and support. <http://annavonreitz.com/noticetofedagentsandagencies.pdf>

The five (5) most critical issues that require remedy for all Minnesotans (*those born on this land and soil known as Minnesota or who have adopted Minnesota as their home state*) are:

1. Undisclosed contractual obligations hidden within birth registrations of babies, which unlawfully converts a baby to a foreign political status as a U.S. Citizen and mischaracterizes them as a “resident.” A similar process takes place when Americans are coerced to register

- their private property such as land, cars, houses and the like, which conveys their property into a foreign trust controlled by the British Monarch;
2. The application of Commercial traffic codes, statutes, rules and regulations to non-commercial activities on the public roads, highways, byways and streets by average Minnesotans simply traveling in the course of their daily lives.
 3. The application and enforcement of Minnesota Department of Revenue and/or MINNESOTA DEPARTMENT OF REVENUE tax codes, rules and regulations to average Minnesotans who are not Taxpayers nor TAXPAYERS, nor employees of the State of Minnesota / STATE OF MINNESOTA, nor any of its political subdivisions such as a county or municipal corporation (COUNTY OF HENNEPIN, CITY OF MINNEAPOLIS, etc...).
 4. The dimming of our skies via weather manipulation, geoengineering and chemical aerosol spraying into the atmosphere. We request and require such activities be outlawed by the State of Minnesota, without delay. We understand some action may currently be underway through the legislature.
 5. Requiring municipal water providers to “treat” drinking water with poisonous chemicals such as fluoride, chlorine and other toxic agents.

Again, Governor Tim Walz, you and the corporations that you represent, along with all franchises, agencies and agents are under contract with the living people on the land and soil known as Minnesota to provide good faith service. You are to protect and defend our natural and unalienable rights as granted by our Creator and guaranteed and protected by the Constitutions, to which you took an Oath to uphold.

The lake-home message to you as an **American** is that you are most likely in the right church, but in the wrong pew. You have most likely, been mis-identified as a **Federal Citizen** and not counted as an **State National** or **State Citizen**. Federal Citizenship is created by the Constitution(s) and therefore, **Federal Citizens** are not Parties to the Constitutions and have **no constitutional guarantees** — only "Equal Civil Rights" that

can be suspended. If you want to claim your "Natural and Unalienable" rights and property, you have to **declare and record** your political status as an American State National or American State Citizen (that is, a Member of your State Assembly) and you cannot act as any kind of **Federal United States Citizen at the same time** as you participate in your **State Assembly**. The additional message is that a large portion of your

government has been "missing in action" and awaiting "Reconstruction" since the Civil War. This work can only be accomplished by properly organized State Assemblies populated by American State Citizens. Go to The American States Assemblies (TASA) website: tasa.AmericanStateNationals.org Reclaim your birthright and come back home "with standing" on the land and soil of America once again!

American State National

1. American State Nationals are either — (1) naturally born on the land and soil of an American State, such as Wisconsin, or (2) after being naturalized as a United States Citizen, is a foreign-born man or woman who voluntarily accepts and publishes their adoption of a specific American State as their permanent home and domicile. A State National is not acting as a citizen of any government and owes no obligations to government beyond keeping the peace and reporting crimes. As a completely unincorporated Person, a State National is sovereign and private and generally immune from prosecution until and unless they take some action that causes actual physical harm to someone else or someone else's property, whereupon they are subject to the Common Law of the County and State where they live or where the alleged crime is committed. A State National can be arrested for cause by peacekeeping officials, but is not generally subject to private courts or to arrest by private law enforcement officers. By definition, a State National is a civilian and an Internationally Protected Person and is owed The Law of Peace. A State National may be elected to Public Office, whereupon they become subject to their Oath or Affirmation of Office for the duration of their term in office. State Nationals are the "people" of each State and populate the National Soil Jurisdiction.

the american public

State Citizen

2. State Citizens — are State Nationals who undertake the obligations of Self-Governance in behalf of the State of the Union where they live. They occupy basic Offices of the State Government, most commonly volunteering to act as Jurors to serve the Jury Pools of both the Grand and Trial Juries of their State and County Courts. Both State Nationals and State Citizens can take part in Public Elections and may serve as Electors. If deputized or elected to office, State Nationals assume State Citizenship for the duration of their service. State Citizens occupy State and County Public Offices, acting as State Justices, local Justices of the Peace, Sheriffs, Peacekeeping Deputies, Coroners, Recorders, and other Public Offices, either paid or unpaid. Members of the State Militia are all State Citizens while actively engaged in militia activities. A State Citizen cannot adopt any other form of citizenship while serving as a State Citizen. All State Assembly officers and elected delegates of the State Assemblies are State Citizens. State Citizens are the "People" of their State and the Parties enabled to enforce the Constitutions directly and indirectly through their State's membership in the Federation of States known as The United States of America and the Union known as The United States.

American Public Officers

Federal United States Citizen

3. Federal Citizens — true Federal Citizens are called United States Citizens and they are considered, while employed by the Federal Government, to be Dual Citizens of their State and work directly for and are commissioned by The United States of America, the unincorporated Federation of States in control of the International Land Jurisdiction of this country and the non-delegated powers owed to the States in the International Jurisdiction of the Sea [Amendment X]. Federal Marshals, now called Continental Marshals, are civilian peacekeeping officers who work within Multi-State Federal Postal District Service Areas. Federal Postal District Courts are also staffed by United States Citizens. They are all Federation Employees and they enforce the Constitutions and the United States Statutes-at-Large and Public Laws as published on the Congressional Record. Post Masters are another example of land jurisdiction United States Citizens. The members of the Coast Guard and Border Patrols are also technically United States Citizens.

American Federal Subcontractor

Territorial United States Citizen

4. Territorial United States Citizens — are called U.S. Citizens to distinguish between them and United States Citizens. Territorial Citizens are now commonly Dual Citizens of the British Commonwealth and the Municipal United States, though they may opt to claim citizenship from another country entirely. They work out of the District of Columbia to enforce U.S. Statutes that are published on the Federal Register and to perform military and quasi-military and military support duties. The U.S. Marshals are private law enforcement officers hired to police the delegated portions of our international (interstate) jurisdiction. Postmasters are U.S. Citizens, as are members of the U.S. Military Services and their Dependents. These people work for the British Territorial United States Government doing business as "the" United States of America and they exercise some of our delegated powers, especially within the International Jurisdiction of the Sea. While in this status, Americans are not Party to the Constitutions and have no Constitutional Guarantees. Shysters like to pretend that we are voluntarily adopting this political status in order to better evade their constitutional duties and the guarantees owed to us.

British Federal Subcontractors

Municipal Citizen of the United States

5. Municipal United States Citizens — are known as "citizens of the United States" and as "US CITIZENS" and include the members of the Federal Civil Service, and officers of the actual Municipal Corporation and its franchises and subcontractors which include the so-called Federal Agencies. These are all employees or dependents of the oligarchic Papist Municipal Government of Washington, DC and the District of Columbia and its STATE OF STATE subsidiaries and they basically work to enforce global commercial law and "federal" regulations. They are Dual Citizens of the Territorial United States [the District of Columbia and Insular States], and "the" United States which is meant to be an instrumentality of and doing business "as" name of the Union of States, but has been usurped and operated under the UNITED STATES CONGRESS as an instrumentality and doing business "as" name of the Municipality of Washington, DC and its Congressional Oligarchy allowed at Article I, Section 8, Clause 17. Shysters like to pretend that we are voluntarily adopting this political status, too, in order to evade their duties to us owed under the Constitutions and to promote various crimes against our assets and Persons.

Papist Federal Subcontractors

Bottom Line: If you are not actually employed by a Federal Subcontractor and a not a Dependent of a Federal Employee nor a voluntary recipient of unearned Federal welfare benefits nor a political asylum seeker nor a

knowing and willing volunteer or paid Agent of the two Foreign "Federal" Subcontractors, you are in fact an American State National or State Citizen. Your earnings are not "Federal Income" and you are not generally

subject to Federal Codes and regulations unless you are engaged in the interstate manufacture, sale, or transport of alcohol, tobacco, or firearms.
