

The Minnesota Assembly needs your help!!

Would you be willing to share your time and talent to fill the below roles within The Minnesota Assembly? If yes, please email Chester and he will get your interest known to The Assembly. Thank you in advance for your consideration!!

- **Marshal at Arms:** This man or woman would be responsible for the peacekeeping and safety within our General Assembly and would deputize others to attend other assembly meetings (International Business, Militia, and Jural) to keep the peace and safety in those assemblies, as well as investigate crimes, etc. within the 4 assemblies (General, Jural, Militia, International Business).
- **International Business Assembly:** This Assembly is populated automatically by all Citizens who work to build the assembly, form a committee and then elect Chair from the nomination brought forth by the committee.
- **Militia Assembly:** Both Nationals and Citizens are needed to build the assembly and form a committee and then elect Chair (must be a Citizen) from the nomination brought forth by the committee.

Of course, there are many other ways to help stand up our General Assembly and the other 3 assemblies within the General Assembly, so please consider joining the committees and taking up the work needing to be done!
