

Fun Facts

This page is under construction & will remain that way as long as there are truths being uncovered and revealed.

It will include articles, case law, quotes and videos to wake people up to the on going lies and deception we have had to endure all of our lives.

The truth can hurt, so some things revealed here may offend, upset or anger some people. It is intended as a wake up call to action.

Prior to "15 Days to Flatten the Curve" (March of 2020 when we were all asked to self quarantine, social distance and wear wear a mask or two to save the world) it was predicted that "THEY" would create a world wide "PANDEMIC" that would cause countries around the world to destroy their economies, lock down their people by creating several variants of the "VIRUS" leading to endless "VACCINATIONS," vaccine passports, division of the people, indoctrination, supply chain issues, food shortages, hyper-inflation, civil unrest, censorship, gun control, threats of nuclear war, martial law and genocide through fear mongering and propaganda, all in the name of "SCIENCE."

"THEY" would also profit greatly monetarily and by gaining control of the people creating a "New World Order."

Sound Familiar?

It was also predicted that "THEY" would be exposed for crimes against humanity and the truth would be revealed leading to an "Awakening" of the sleeping masses in "Biblical Proportions."
