December Monthly Mission Report

Country: India

Coordinator Name: Chanti Kolli

Project Name: WeRemnant Children's Orphanage, Andhra Pradesh, South India

1. Introduction / Opening Greeting

Glory to GOD in the highest! We are blessed this month. We celebrated the Children's Christmas party, and the children received beautiful Christmas gifts and enjoyed fun activities. Most of the children are enjoying their Christmas vacation. We have served 30 children in our center.

2. Monthly Summary / Key Accomplishments

GOD is so faithful to each child because all the children were learning beautiful Scriptures and Biblical values, especially as we understand the impact of our devotion.

3. Current Challenges / Goals for the Next 90 Days

Please pray for us as we have to start paying rent for the building, especially for the two floors we use. We need a water purification machine, and we are praying for transportation.

4. Call to Action

Thank you for joining WeRemnant! Your compassion for children is about to create positive change that really lasts forever.

Your generosity provides critical assistance to children when and where it's needed most in the form of essentials like education, nutritious food and more. Thank you for giving today and make a life-changing difference.

Project Name: Building Church-Schools, Providing Electricity in Remote Villages, and Digging Sustainable Wells in Remote Villages and Refugee Camps

1. Introduction / Opening Greeting

Greetings in the Name of our LORD JESUS CHRIST. We give thanks to the Almighty GOD for the opportunity to serve HIM through WeRemnant. Our schools have officially opened after a long holiday since November 2025. We thank GOD for reuniting us once again with our students and teachers. Currently, 120 students have started back and we are expecting more to report before the month closes. We are ready to take good care of them with the help of WeRemnant.

2. Monthly Summary / Key Accomplishments

We have successfully sent ten students to university for them to pursue courses they desired. All of this is because WeRemnant stood in the gap and facilitated their education and needs as well. Thank you, and GOD bless you so much. As a result of a swift transition from one grade to another, we have received more positive compliments from both local and national government, which in turn shows a great impact to the society. Therefore, we would like to take this opportunity to thank WeRemnant for making it happen.

3. Current Challenges / Goals for the Next 90 Days

Due to smooth transitions that we are having, we are planning to do some renovation since it has been long since we did the paintings. Kindly pray with us in this.

Country: Uganda

Coordinator Name: Maate Yuubu

Project Name: WeRemnant Jraq Orphanage and Primary School; Refugee camp in Muhokya, Uganda

1. Introduction / Opening Greeting

All glory belongs to JESUS for another productive month! Things have been going on well in Uganda except for the high price of some food and we had federal elections. Also, our internet went off for few days and it's still not fast as it was before. As we come into the new year, we are preparing for the children needs, especially those in the orphanage as they have been promoted to other classes.

2. Monthly Summary/Key Accomplishments

This month we thank GOD for the following: There have been no cases of sickness among the children or orphans. The pupils have received all their meals gratefully, and all our pupils got promoted to next classes. The children are really glad for continued support for them in the orphanage, their health has improved, and they are growing older. We have a testimony from one of our children named Namu Noella; she testified on how GOD has changed her life through education and accommodation. She has promised to study hard and become a great woman who will support other people.

3. Current Challenges

We have the following issues: We have general scarcity of water around the area. There is also the issue of the high price of food in Kasese.

4. Goals for the Next 90 Days

Our goals for the next 90 days include: the construction of the WeRemnant school because the classrooms are too small; the provision of a clinic to orphans and teachers because the hospitals are too far; academic increase among learners; and Bible studies to improve their spiritual growth.

5. Call to Action

Your faithful generosity allows WeRemnant to meet the physical, emotional, and spiritual needs of many of the most vulnerable children and families in Uganda. Lives are transformed, relationships are restored, and communities are changed because of YOUR generosity.
