

REPORTS FROM THE FIELD

February 2025

~~WE~~
REMNNANT

UGANDA

Coordinator: Maate Yuubu

Project: WeRemnant Jraq Orphanage and School, Uganda

Update: Greetings in JESUS' Name. The month started well, the studying of pupils went well, and we have not had any sick cases. All the pupils have great report cards. Our pupils got promoted to the next class.

Accomplishments/Testimonies: The pupils got promoted to the next class. All the teachers reported back safely to school after a brief break. The pupils have received their meals well, and there are no cases of sickness. There is an improvement in academic standard, and the healing of the people from Nyakahuhire camp.

Issues: Pupils lack basic needs such as bedsheets, shoes, sandals, and uniforms. They need to have Primary Five class and the teacher. There needs to be a school toilet built for the students. There is a lack of water in Kinyabazi where our land is located.

Next 90 Days: We need the construction of a school toilet. We need the provision of a Primary Five teacher and class, as well as the provision of children's basic needs.

Description of Pictures: The children receiving their monthly feedings and medications.

NAMIBIA

Country Coordinator: Catherine Amoo

Project: JESUS Center Private School, Namibia

Update: All honor and glory to the KING JESUS CHRIST. This year we have 20 learners from underprivileged families.

Accomplishments: I have been assigned as the Deputy Principal of the School.

Testimony: The LORD came around for us in salaries. I thank HIM since we are running the school by faith.

Issues: I visited the offices of Town Council for the land application, and the new CEO asked us to resubmit our application for land.

Description of Picture: Children at the school grounds.

MALAWI

Coordinator: Lois Grant

Project: Nsalu Early Childhood Development (ECD)

Project Update: This month we had a blessed time with the toddlers and the guardians, back at school. Baby Chikonzero is out of hospital and home now.

Accomplishments: We were able to have our fun day with the guardians and toddlers.

Issues: We are waiting for the final decision concerning the allocation of our land.

Next 90 days: We have started developing the WeRemnant farmland.
