July Monthly Mission Report

Country: Malawi

Coordinator Name: Lois Grant

Project Name: Nsalu Early Childhood Development

1. Introduction / Opening Greeting

We thank GOD for another month of grace and growth. We received the bamboo seeds that we are hoping to grow so we can use the proceedings from the sales to assist in the different projects that we have going on.

2. Current Challenges

We have successfully planted the seeds, and they are growing.

3. Goals for the Next 90 Days

We still need a reliable water source for the farm.

4. Call to Action

Thank you so much for supporting Malawi on an ongoing basis. Your constant, consistent support helps bring permanent change to our orphans and their caregivers.

Project Name: WeRemnant Children's Orphanage, Andhra Pradesh, South India

1. Introduction / Opening Greeting

Glory to GOD in the highest! The children were back to school for the new school year with new admissions and pursuing their studies. Currently, we are serving 22 children with good health and care. We want to thank the WeRemnant team for your support, care, and prayers for the Dalit children in India.

2. Current Challenges

The children have successfully completed summer vacation, and now we are going ahead with new school admission for the children. Without any sickness and injuries, the children completed their summer holidays, praise GOD for that.

One more wonderful news is that we have collaborated with local hospital (Clinical Welfare Centre).

3. Goals for the Next 90 Days

Water issues: We need a water purifier machine because unpurified water leads our children to fall ill. We are also looking forward to getting a vehicle to transport the children.

4. Call to Action

Thank you for joining WeRemnant! Your compassion for children is about to create positive change that really lasts forever.

Your generosity provides critical assistance to children when and where it's needed most in the form of essentials like education, nutritious food and more. Thank you for giving today and making a life-changing difference.

Project Name: WeRemnant Jraq Orphanage and Primary School; Refugee camp in Muhokya, Uganda

1. Introduction / Opening Greeting

All glory belongs to JESUS for another productive month! The weather has been wonderful, and all the activities are being done successfully, though with a few cases of sickness among children.

2. Monthly Summary/Key Accomplishments

This month we thank GOD for the following: Pupils can now read and write and are encouraged to study hard and succeed. There is improved academic and excellence in our children, as all the educational equipment has been provided to the school. Food and clothes have been provided by WeRemnant, so kids are eating on time. The WeRemnant children testify about the great improvement in their lives since WeRemnant started taking care of them. They read the Bible every morning and evening.

3. Current Challenges

We have the following issues: We need to separate the hostel where the children are housed; we only have one hostel for both boys and girls. The children are growing up and the government has advised us to separate them. We also have a challenge at the school; we study in a small building with a small classroom, and we pray to have a large building with bigger classes.

We observed a high rate of malaria, flu and cough in Nyakahuhire camp; when we were giving medication, we observed it. We are praying for wisdom and resources on how to assist with this need.

4. Goals for the Next 90 Days

We are praying for the construction of a second WeRemnant hostel so that boys and girls can be separated. We also need to begin the construction of WeRemnant school due to small class sizes. We need the provision of water at the orphanage.

5. Call to Action

Your faithful generosity allows WeRemnant to meet the physical, emotional, and spiritual needs of many of the most vulnerable children and families in Uganda. Lives are transformed, relationships are restored, and communities are changed because of YOUR generosity.

Description of Pictures (L-R): Students receive the food provision provided by WeRemnant donors. Teachers receive the provision of medical care and their monthly upkeep for the Nyakahuhire camp.
