June Monthly Mission Report

Country: Uganda

Coordinator Name: Maate Yuubu

Project Name: WeRemnant Jraq Orphanage and Primary School; Refugee camp in Muhokya, Uganda

1. Introduction / Opening Greeting

All glory belongs to JESUS for another productive month! It has been running well especially with the academics of students and the provision of basic needs of the children. There is great improvement in the students.

2. Monthly Summary/Key Accomplishments

This month we thank GOD for the following: The pupils are happy to be supported and to be helped and there is great improvement in their lives.

3. Current Challenges

We have the following issues: Due to the growth of the number of pupils in the school, we are facing the congestion of both pupils in WeRemnant Jraq House and School. The space of the hostel is too small for the number of pupils and the school needs expansion. Our taps are not working properly, and food is getting very expensive this season.

4. Goals for the Next 90 Days

We are working hard to make sure that there is smooth running of the school or project. In the next three months we are to accomplish the following: water supply to WeRemnant Orphanage Home and the construction of the WeRemnant School and purchasing of land.

5. Call to Action

Your faithful generosity allows WeRemnant to meet the physical, emotional, and spiritual needs of many of the most vulnerable children and families in Uganda. Lives are transformed, relationships are restored, and communities are changed because of YOUR generosity.

1. Introduction / Opening Greeting

We thank GOD for another month of grace and growth. This month we are currently waiting for the bamboo seed which should arrive shortly. This is a new initiative that we are trying to implement so we can have some local income coming in for the WeRemnant projects here in Malawi.

2. Current Challenges

Currently, we want to construct a well to assist with the irrigation of the plants.

3. Goals for the Next 90 Days

We are expecting to receive the bamboo seeds which will help us to start off the WeRemnant farms.

4. Call to Action

Thank you so much for supporting Malawi on an ongoing basis. Your constant, consistent support helps bring permanent change to our orphans and their caregivers.

This month we had to work vigorously with our teachers. We have also successfully registered all our learners in the new curriculum programs.

3. Goals for the Next 90 Days

We are looking forward to renovating our classes and building a fence around our schools. This is to prevent theft and also for the protection of all our students.

Project Name: WeRemnant Children's Orphanage, Andhra Pradesh, South India

1. Introduction / Opening Greeting

Glory to GOD in the highest! This month has been a blessing; our children are on summer vacation. We have arranged for a children's summer camp; we taught many children about JESUS and moral education. The children have been so happy and enjoyed their time at our center. I gave thanks to OD for the grace HE has granted myself and the school staff and will endure forever in our mission work. GOD is truly moving within our children's hearts to serve the LORD JESUS CHRIST.

2. Current Challenges

In this new location right now, there are no issues at our orphanage center, but keep praying for the staff and children's care. Glory to JESUS!

3. Goals for the Next 90 Days

As the spiritual and administrative lead for the orphanage, I hope to continue to grow in my Christian faith and have a stronger connection to JESUS.

4. Call to Action

Thank you for joining WeRemnant! Your compassion for children is about to create positive change that really lasts forever.

Your generosity provides critical assistance to children when and where it's needed most in the form of essentials like education, nutritious food and more. Thank you for giving today and make a life-changing difference.
