

REPORTS FROM THE FIELD

May 2025

May Monthly Mission Report

Country: Uganda

Coordinator Name: Maate Yuubu

Project Name: WeRemnant Jraq Orphanage and Primary School;
Refugee camp in Muhokya, Uganda

1. Introduction / Opening Greeting

All glory belongs to JESUS for another productive month! The school has been performing well, and we have completed tasks such as installing solar electricity and accommodating four additional orphans. Furthermore, the orphans have returned to the orphanage for their holiday.

2. Monthly Summary/Key Accomplishments

This month we thank GOD for the following: The students have enough light, thanks to the solar electricity we were able to secure; we have four new orphans in the orphanage; cases of the children getting sick are low; lastly, the students performed very well in their exams.

3. Current Challenges

We have the following issues: Our water system fluctuates, and water isn't readily available. We pray to have extra food and build bigger classes to fully accommodate the children who have recently joined us.

4. Goals for the Next 90 Days

We look forward to providing water for both the orphanage school and home, and the purchase and construction of the WeRemnant school.

5. Call to Action

Your faithful generosity allows WeRemnant to meet the physical, emotional, and spiritual needs of many of the most vulnerable children and families in Uganda. Lives are transformed, relationships are restored, and communities are changed because of YOUR generosity.

Students receive food provided by WeRemnant donors

Food provisions

Country: Malawi

Coordinator Name: Lois Grant

Project Name: Nsalu Early Childhood Development

1. Introduction / Opening Greeting

We thank GOD for another month of grace and growth This month we are excited about the prospect of buying bamboo seed to start making use of the farmland.

2. Monthly Summary/Key Accomplishments

This month we are thankful for the funding we received that afforded us the opportunity to purchase bamboo seeds for growth on our farmland. We are excited to see how this new venture will prove to be sustainable for our families.

3. Current Challenges

Currently, construction of the well we planned for irrigation on the farm has come to a standstill; however, we will proceed with the hope that we can use the river for irrigation.

4. Goals for the Next 90 Days

We are expecting to have over 500 seedlings of bamboo for our farmland. The proceeds will be used to sustain all the WeRemnant projects going on in Malawi.

5. Call to Action

Thank you so much for supporting Malawi on an ongoing basis. Your constant, consistent support helps bring permanent change to our orphans and their caregivers.

Baby Chigongeso, one of our adopted orphans, receives cereal and porridge from her caregiver.

Country: Kenya

Coordinator Name: Bishop Caleb Wanjala

Project Name: Building Church-Schools, Providing Electricity in Remote Villages, and Digging Sustainable Wells in Remote Villages and Refugee Camps

1. Introduction / Opening Greeting

We thank GOD for HIS protection over all our students. Our schools have resumed from a short holiday; students are now preparing to sit for their mid-year exams.

2. Monthly Summary

This month we had to work vigorously with our teachers, making sure they were compliant with state regulations. We have successfully finished the teachers' training, and we thank WeRemnant donors for their support through the process. Also, we had parents who were experiencing problems with enrolling their children in school due to the high cost of education. But due to the generous donations from WeRemnant donors, access to education has been made it easier for their children.

Students completing assignments

3. Goals for the Next 90 Days

We are looking forward to renovating our classes and building a fence around our schools. This is to prevent theft and for the protection of our students.

4. Call to Action

By giving to WeRemnant, your support can help dismantle obstacles such as economic hardship, insufficient educational infrastructure remote, inaccessible schools, and more. Your involvement can help remove such obstacles, turning aspirations into achievements and potential into tangible progress.

Students in class

Country: India

Coordinator Name: Chanti Kolli

Project Name: WeRemnant Children's Orphanage, Andhra Pradesh, South India

1. Introduction / Opening Greeting

Glory to GOD in the highest! This month has been a blessing; our children finished their academic year and are enjoying their summer holidays. We currently have 25 children at our center. Attendance was at 100 percent this school year, and the schoolteachers were so happy for our children to finish well. GOD is so good! Our children's home found a new place to move to right after they finished their academic year. The new location is truly blessed. We are looking forward to having a good time with the children and trying to teach them with discipline and the word of GOD.

2. Current Challenges

In this new location, we need to repair the boys' bathroom. We also need to properly feed the children; to do so we need kitchen supplies.

3. Goals for the Next 90 Days

We expect to have finished repairs of the bathroom, purchased more sports kits for the children so they can be active in sports, and provide new school notebooks for the next academic year.

4. Call to Action

Thank you for joining WeRemnant! Your compassion for children is about to create positive change that really lasts forever.

Your generosity provides critical assistance to children when and where it's needed most in the form of essentials like education, nutritious food and more. Thank you for giving today and make a life-changing difference.
