October Monthly Mission Report

Country: Malawi

Coordinator Name: Lois Grant

Project Name: Nsalu Early Childhood Development

1. Introduction / Opening Greeting

We thank GOD for another month of grace and growth we did a small trial to see if the land was able to grow other things like vegetables; we achieved success and harvested some vegetables and tomatoes!

2. Monthly Summary / Key Accomplishments

We are still thankful for the GODly wisdom in growing other vegetables on the farm. Thank GOD for the harvest.

3. Current Challenges / Goals for the Next 90 Days

We need reliable water sources especially from a borehole. We are also looking to develop our WeRemnant farm more and maybe acquire more farmland if possible.

4. Call to Action

Thank you so much for supporting Malawi on an ongoing basis. Your consistent support helps bring permanent change to our orphans and their caregivers.

Country: India

Coordinator Name: Chanti Kolli

Project Name: WeRemnant Children's Orphanage, Andhra Pradesh, South India

1. Introduction / Opening Greeting

Glory to GOD in the highest! We were able to complete the one-year anniversary at our Dalit Children's Orphanage in India. GOD is so faithful during our journey, and we began with great faith. Despite many challenges—local opposition, government struggles, and unsafe conditions such as snakes and poisonous insects—GOD sent HIS angels to protect the children.

2. Monthly Summary / Key Accomplishments

We now have a safe place to stay and have begun a new journey with our children. We have successfully completed one-year establishment of the orphanage, and we have more rooted opportunities through our children to serve the community. Finally, we were able to celebrate the anniversary with our children and share their testimonies.

3. Current Challenges / Goals for the Next 90 Days

Please pray for the children. Transportation is very difficult because every day children go to school by walking, and by the evening they feel so much leg pain. We are looking for a better option to drop them off every day and pick them up. A school van is much needed for us.

4. Call to Action

Thank you for joining WeRemnant! Your compassion for children is about to create positive change that really lasts forever.

Your generosity provides critical assistance to children when and where it's needed most in the form of essentials like education, nutritious food and more. Thank you for giving today and making a life-changing difference.

Country: Uganda

Project Name: WeRemnant Jraq Orphanage and Primary School; Refugee camp in Muhokya, Uganda

1. Introduction / Opening Greeting

All glory belongs to JESUS for another productive month! The month was good and going well, though we have had some issues such as flu and cough among the children and teachers.

2. Monthly Summary/Key Accomplishments

This month we thank GOD for the following: We have completed the renovation of the boys' hostel. There has been great academic improvement among learners. We are still working on the water project to help people of the village gain water and the provision of food to learners and teachers. The children are testifying of the great support towards their lives, and they are encouraged to work hard for the success of the school and orphanage.

3. Current Challenges

We have the following issues: Our classrooms are small, but we have a large number of learners. There are still poor water facilities in the community. We have the issue of getting medication in case a child gets sick, as the hospital is far from orphanage.

4. Goals for the Next 90 Days

We are looking forward to: having water in the WeRemnant Jraq orphanage; the continuity of paying teachers' salaries; and the continuity of provision of food for the orphans.

5. Call to Action

Your faithful generosity allows WeRemnant to meet the physical, emotional, and spiritual needs of many of the most vulnerable children and families in Uganda. Lives are transformed, relationships are restored, and communities are changed because of your generosity.

Greetings in the Name of our LORD JESUS CHRIST. We thank GOD for this month's progress. We had the children who are in grades 3, 4, and 5 totaling 56 pupils sit for their national examination and successfully qualify to transit to the next levels of their education. Thanks to WeRemnant for this great milestone in the lives of these needy and orphaned children. May ALMIGHTY GOD continue expanding WeRemnant for loving, caring and supporting these kids.
