September Monthly Mission Report

Country: Malawi

Coordinator Name: Lois Grant

Project Name: Nsalu Early Childhood Development

1. Introduction / Opening Greeting

We thank GOD for another month of grace and growth. We are currently growing the bamboo seeds; this will give us the knowledge on if we can use this product to sustain our Malawi project.

2. Monthly Summary / Key Accomplishments

We have successfully sold some bamboo that was bought earlier in the year. Hallelujah!

3. Current Challenges / Goals for the Next 90 Days

We need reliable water sources and a self-sustainable garden.

4. Call to Action

Thank you so much for supporting Malawi on an ongoing basis. Your consistent support helps bring permanent change to our orphans and their caregivers.

Country: India

Coordinator Name: Chanti Kolli

Project Name: WeRemnant Children's Orphanage, Andhra Pradesh, South India

1. Introduction / Opening Greeting

Glory to GOD in the highest! We are being blessed by this month, and GOD is so faithful in our orphanage. All children are doing great, and I really do appreciate your prayers. Right now, we are serving 25 children in our orphanage center.

2. Monthly Summary / Key Accomplishments

Children's schooling and spiritual life are gradually growing, and they are learning new skills and morally developing themselves. I appreciate your prayers for one of our children who is named Mahesh. He is having tonsils issues and typhoid fever; we believe he is cured and healed by the Blood of JESUS.

3. Current Challenges / Goals for the Next 90 Days

Please pray for the children. Due to the heavy rains, some seasonal viral fevers are spreading among the school children through drinking water and because they are sleeping together on mats. This highlights the need for individual beds to prevent further infection spread. Also, please pray for the children's room; there are some leakages from the roof and walls. We are planning to do minor work to ensure the children's safe accommodation.

4. Call to Action

Thank you for joining WeRemnant! Your compassion for children is about to create positive change that really lasts forever.

Your generosity provides critical assistance to children when and where it's needed most in the form of essentials like education, nutritious food and more. Thank you for giving today and making a life-changing difference.

Country: Uganda

Coordinator Name: Maate Yuubu

Project Name: WeRemnant Jraq Orphanage and Primary School; Refugee camp in Muhokya, Uganda

1. Introduction / Opening Greeting

All glory belongs to JESUS for another productive month! The month has been going well, and the school is re-opening on Monday, the 15th of September. Children have been healthy and the renovation of WeRemnant boys' hostel is completed. All is going well.

2. Monthly Summary/Key Accomplishments

This month we thank GOD for the following: Food and teachers' salaries have been provided. There are no health cases or serious sicknesses among children. There has been great improvement with the academic progress of the pupils. The children are happy for the continued provision of food and accommodation for them, which has changed their lives. Hallelujah for the completed renovation of boys' hostels and children's farm!

3. Current Challenges

We have the following issues: Our school is too small and compacted with small classrooms, which leads to congestion of classes. There is also a lack of water in the school.

4. Goals for the Next 90 Days

We are looking forward to the extension of the WeRemnant school so that we can have larger classrooms that favor the children and provides enough ventilation to them.

5. Call to Action

Your faithful generosity allows WeRemnant to meet the physical, emotional, and spiritual needs of many of the most vulnerable children and families in Uganda. Lives are transformed, relationships are restored, and communities are changed because of YOUR generosity.
