

KNOWLEDGE IS OUR
SECRET

About Us:

"SHACO" is an engineering & trading company in the field of industrial equipment. Our range of products cover all purpose Industrial equipment & specialized products to be used in petrochemical plants, oil refineries, power sector, water treatment, filtration, etc.

Our team started this business in early 2000 in the Middle East and has constantly been improving its efficiency & service quality in order to meet clients' requirements.

Our goal is to support our clients in every way, leading us to update ourselves through the latest challenges.

Our Mission:

We would like to introduce "**SHACO**" as one of the most competent and highly experienced companies in equipment supply (instrumentation & controls), raw materials and refractories for use in oil, gas, petrochemicals, refineries and power plants.

Materials are available in the form of **bars, wires, sheets, plates, forgings, pipe fittings, flanges, seamless & welded pipes & tubes, welding rods**, etc. in different grades of **steel, stainless steel, copper alloys and nickel alloys such as Monel, Incoloy, Hastelloy**, etc.

With regard to instrumentation & controls we are flexible on the following brands:

- **Instrumentation:** ABB, Bently Nevada, Emerson, Yokogawa, Siemens, Ashcroft, Krohne, AEG, Schneider, etc.
 - **Controls:** KOSO, Masoneilan, Fisher, Pentair, Grundfos, Flowserve, SPX, Woodward, Ingersoll Rand.
 - **Consumption:** Morgan Thermal Ceramics, ESAB, Lincoln, Shell Turbine Oil.
- Our range, however, is not limited to the above brands!

Our Goals:

Genuine mutual benefit & customer satisfaction

Our Services:

- A. Engineering & trading of industrial equipment for oil, gas, petrochemicals, etc.
- B. Finding the right replacements for old & obsolete products
- C. Reverse engineering of discontinued products by best superseded products that meet original parts in fit, form, dimension, and performance
- D. Offering competitive prices through knowledge of the right suppliers and manufacturers
- E. Delivery of goods in the best possible time schedule via reliable routes
- F. Commitment to providing first class service & warranty

Starting the business of clients is the beginning of a business relationship, but the goal is most definitely customer satisfaction!

Our Products:

Turbines
and parts

Valves
All Types

Pumps
All Types

KNOWLEDGE IS THE BIGGEST SUCCESS IN LIFE

Pressure Gauges

Brands: Ashcroft, Wika, Cella, Nouva Fima, Badotherm, Keller, etc.

Types: Pressure, Absolute, Differential, Test

Accessories: Diaphragm Seals, Pigtail, etc.

Safety Valves

Brands: Leser, Dresser, Tyco, Pentair, Bopp & Reuther, etc.

Types: Pressure Relief Valves, Safety Valves, Regulators, Flame, Arresters, Silencers, Rupture Disks

Governors

Brand: Woodward

Types: Engine & Turbine, Mechanical Governors, Governor, Spares, Actuators, Hydraulic Amplifiers, Electronic Controls For Steam Turbines, Diesel & Gas Engines, Marine Engines

Level Gauges

Brands: Rosemount, Krohne, Bonetti, Endress+Hauser, ABB, Yokogawa, etc.

Types: Radar Level Transmitters, Magnetic, Ultrasonic, DP, Displacer, Reflex, Transparent & Float

Filters

Industrial Filters for Compressors, Gas & Steam Turbines

Air Filters: Cylindrical, Conical, Panel, Pocket, Hepa, Dust

Gas Filters: Dry Gas Seal, Gas Coalescer, Separator & Scrubber, Oil & Fuel Filters and Accessories

Monitoring Systems

Brands: Bently Nevada, Vibo-Meter, Brüel & Kjær Vibro

Types: Condition Monitoring, Vibration, Proximity, Accelerometer, etc.
