

Nomination Form

Every day, there are women and girls in our community that identify a need or a problem and respond by taking action to make life better for their friends, family and neighbors. We believe that their commitment to serve others and their courage to try to make a difference deserves to be recognized. On April 4, 2020, the Women & Family Life Center, Guilford Youth & Family Services, Madison Youth & Family Services, Clinton Human Services and Branford Counseling & Community Services will be recognizing these women and girls at a special awards breakfast at the Nathanael B. Greene Community Center in Guilford, CT. Please let us know about someone in our community that you feel has the qualities of a SHERo.
