

ROMANS CEPCOVS

Fashion Designer (Menswear/Womenswear)

Paris / London • +44 7478 104914 • +371 28616166 • lcepcovs248@gmail.com

Fashion Designer specialising in pattern cutting, tailoring, and 3D garment development, with strong experience across atelier and product development environments. Graduate of London College of Fashion, with international practice at Acne Studios and tailoring expertise. Skilled in bridging creative research with technical execution to deliver garments from concept to runway.

Experience

Acne Studios - Pattern Design & Atelier Apprentice

Stockholm, Sweden (Feb 2024 - Sept 2024)

- Assisted across all collection stages, from prototypes to production fittings.
- Created new blocks and updated existing patterns using **Gerber, CLO3D, Illustrator**.
- Supported fittings and run-throughs for the **SS25 Paris Fashion Show and lookbooks**.
- Supported atelier team by delivering protos under tight deadlines.
- Worked with senior patternmakers, suppliers, and archives to refine designs.

Kingly Street Tailors - Tailor's Assistant

London, UK (Apr-Jun 2022)

- Measured clients, drafted patterns (manual & CAD), and produced custom garments.
- Constructed mock-ups, performed alterations, and executed tailoring details.
- Collaborated on bespoke suits and garments with a high degree of precision.
